Dear Supporter,

The Somerset County Association of Chiefs of Police "SCACOP" extends our warmest wishes for a happy, healthy and safe holiday season. Police Officers throughout Somerset County work tirelessly around the clock, in order to ensure the safety and security of our residents. We are committed to developing programs that will benefit those who live, work, or visit Somerset County and to supporting effective and efficient law enforcement services through multi-agency cooperation and the sharing of resources.

Your generous donations enable us to continue to support law enforcement and community based programs that include:

- Equipment and training for specialized law enforcement services such as the Somerset County Emergency Response/SWAT Team, Dive Rescue and Recovery Team, Collision Analysis Accident Reconstruction Team, and the Arson Task Force.
- Camp OKEE SUNOKEE for children with learning disabilities or Asperger's Syndrome.
- College scholarships to deserving students of Police Officers.
- Funding for youth related educational and prevention programs such as: D.A.R.E., (Drug Abuse Resistance Education), Project Graduation, and the Police Academy Youth Week.

We never solicit over the phone. Please be cautious of organizations that claim to be supportive of, or a part of our Association. If in doubt, please feel free to call your local Chief of Police or email me at president@scacop.org. If you prefer, you may donate via PayPal. Please visit our website www.scacop.org and click on the PayPal link. We are registered with the N.J. Attorney General and the State Division of Consumer Affairs in accordance with State Law.

We greatly appreciate any contribution and thank you for your continuing support. In sincere appreciation of your contribution consideration, please find the enclosed decal that may be proudly displayed to show your support of Law Enforcement in Somerset County. In closing, as career law enforcement officers, we are encouraged by the surge in support of the police as noted below and hope that you will join in that support as well.

Very truly yours,

Chief William G. Parenti, President

Americans' Respect for Police Surges

Three in four Americans (76%) say they have "a great deal" of respect for the police in their area, up 12 percentage points from last year.
