Membership:

\$40/individual/yr
\$55/family for 2 or 3

Match: 10 rifle, 10 pistol, 2-4 shotgun
per stage (6-7 stages).

Bring extra rounds and shotgun shells.
We sometimes do a 'Wild Bunch' match.
Check the website for dates and
equipment needed. A good
idea to bring anytime:
camp chairs, lunch or snacks,
water bottles, maybe a big
sun umbrella.

History: October 2005 was the first match
at the current location. In 2009, major
reconstruction reshaped and enlarged the
bays to create a great shooting area for all to
enjoy. We invite you to join us at our C.A.S.
matches as a shooter or spectator.

Other: We also sponsor special matches,
such as our .22 Fun Match, and offer a place
to sight in rifles for hunting. We welcome
groups who might like to use the Range, such
as Scouts who are working on badges. Call
for details and ideas.

Directions:

From Spokane: West on I-90 to Medical
Lake (exit 272). Eight miles on Hwy 902 to

Espanola Rd. Right onto Espanola. Follow
about 5 miles. When Espanola makes a sharp
left curve, turn right onto Chase. Follow above
directions.

WINDY PLAINS DRIFTERS
Cowboy Action Shooting

WINDY PLAINS DRIFTERS

Cowboy
Action
Shooting

West of Medical Lake
Washington

Come explore the exciting world of Cowboy Action Shooting.

Discover the thrill and fun of shooting the guns of the Old West with characters who could have stepped right out of the Old West. Families and individuals of all ages will enjoy C.A.S.

FIREARMS NEEDED

2 Single action pistols (.32 caliber or larger); **lever action rifle** (tube feed, exposed hammer, having 16" barrel or longer); **shotgun**, either side by side lever action, or pump shotgun with exposed hammer (Win.97, Marlin Model 16). Shotgun barrel must be 18" or longer. If you do not have weapons or only some of them, do not let that stop you from coming. There are members who will loan shooters any weapons needed to shoot the event.

CLOTHING

Western style clothing is required of all shooters. This helps to create the atmosphere of the old west and makes it more interesting for spectators and shooters. Boots, blue jeans, cowboy hat, and long sleeve western shirt will be okay. The more "old west" the look the better. Items "outlawed" for shooters: short sleeve shirts, modern straw hats, designer jeans, "tenny runners" (to include: tennis, running, jogging, aerobic shoes, etc.) nylon, plastic, neon, Velcro, etc.

Safety glasses and hearing protection required for all shooters & spectators.

SCORING

Score is based upon elapsed time plus any misses or technical penalty points. Misses are scored at +5 seconds for every missed target.

MISC.

This is not a quick draw or fast draw shooting. An alias is to be used by the shooter. Weapons will only be loaded when told to do so by the Range Officer. (Eye and hearing protection required for all shooters and spectators.)

TARGETS

Generally they are large steel stationary or reactive targets (tip over or swingers) set at close range for pistols, and further out for shotgun and rifle.

SHOOTING CATEGORIES

Black Power (used in all weapons)
Traditional (non-adjustable pistol sights)
Modern (adjustable pistol sights)
Duelist (shooting one handed)
Gunfighter (two pistols, one in each hand)

Monthly shoots: All categories are scored together.

AMMO

Cowboy bullets are lead only, no jacketed rounds. Maximum velocity is less than 1000 feet/second.

SASS

The Single Action Shooting Society (SASS) is the governing body that was created to preserve and promote cowboy action shooting. SASS endorses regional matches that are conducted by affiliated clubs and produces "END OF TRAIL", the world championship of cowboy action shooting.

SPIRIT OF THE GAME

Simply "Spirit of the Game" is good sportsmanship. If you don't have it, then cowboy action shooting is not for you. These events are designed for shooters who want to have fun, and are not for shooters who look for ways to create an advantage out of what is or is not stated by the Range Officer.

WINDY PLAINS DRIFTERS

Located five miles west of Medical Lake, Washington, the "Windy West Plains Range" is home to the Windy Plains Drifters. We bring Cowboy Action Shooting to life two weekends each month from March through November. We generally shoot two stages on each of three bays, sometimes with a bonus stage. The Range goes hot at 9, but coffee is always on a half-hour early so folks can get signed in and swap stories for a while before the match.
