GLOSSY CHIC

L'evoluzione e l'avanzare di nuove tendenze hanno ispirato Opera Contemporary a creare GLOSSY CHIC COLLECTION.

Una collezione raffinata e ricercata, in cui protagonista è l'essenza del legno.

Lastre esotiche come Cerejeira, Ebano Macassar ed Erable, sono esaltate dalla finitura lucida che, grazie ai riflessi di luce, dona preziosità e classe all'ambiente, che sia una residenza privata, un hotel o un luogo di rappresentanza.

The evolution and the advance of new trends inspired Contemporary Opera in creating GLOSSY CHIC COLLECTION.

A refined and sought collection, in which the essence of wood takes pride.

Exotic veneers as Cerejeira , Macassar Ebony and Erable , are enhanced by gloss finish that , due to the reflections of light, gives preciousness and class to the environment, even if is a private residence , a hotel or a representative ambient.

CEREJEIRA

Collezione caratterizzata da diversi elementi quali metallo cromato e specchi che accostati alla preziosa lastra di Cerejeira, dai contrasti chiari e scuri, rendono la collezione accogliente e raffinata. La finitura naturale brillante conferisce alla lastra sudamericana un gusto caldo e gradevole che ben si integra con le imbottiture lavorate degli elementi.

A collection characterized by different elements such as chromed metal and mirrors which, coupled with the dark and light contrasts of precious Cerejeira wood, make the collection welcoming and refined. The shiny natural finishing gives the South American wood a warm, pleasing appearance that matches the elaborate padding of the furniture.

EBANO MACASSAR

Linee semplici per questa collezione dall' importante utilizzo della lastra di Ebano Macassar di provenienza indonesiana proposta in lucidatura naturale. Profili in ottone spazzolato e rivestimenti di pregio sono coordinati alle venature della lastra dalle marcate striature chiaro-scuro donando preziosità alle forme essenziali dei mobili.

This is a clear-lined collection that makes significant use of Indonesian Macassar Ebony featuring a natural polish. Brushed brass profiles and high-quality finishes are coordinated with the grain of the wood, which has pronounced light-dark streaks, enhancing the minimal shapes of the furniture.

Opera Contemporary si riserva il diritto di modificare, nel tempo, i propri prodotti nelle dimensioni e nelle caratteristiche al fine di migliorare il prodotto stesso. Gran parte delle lavorazioni dei nostri articoli sono eseguite manualmente. Pertanto i colori delle finiture sono pubblicati a titolo indicativo e non costituiscono in alcun modo un metro di confronto preciso in quanto la stessa tinta realizzata su legno di essenza differente può ottenere, ovviamente, risultati non perfettamente uguali. Finiture effettuate in tempi diversi non potranno mai essere identiche, pertanto non ci assumiamo nessuna responsabilità per eventuali differenze. Tali differenze non potranno in nessun caso essere oggetto di contestazione o di resi.

Opera Contemporary reserve the right to modify their products, measurements and structural features at any time, in order to upgrade the product for new technologies and production needs. Many steps within the finishing process are carried out by hand and manual decoration of furniture makes identical reproduction impossible. There may be a slight variation in shade and hue. The sample colours, in both the wooden collection and the photographic samples in the catalogue, are provided purely as an indication of colour and are not an accurate comparison as different veneers will produce different results. The same finish supplied at different times cannot match exactly and we take no responsibility for any differences. Such differences cannot under any circumstances, constitute the reason for objections or returns.
