

Scottish Vocational Qualification 2

Social Services and Healthcare at SCQF level 6

Awarded by	Scottish Qualifications Authority
Accredited from	31 January 2019 to 31 January 2022
Group Award number	GH5Y 22
Version number	02 (February 2019)

Standards

The standards, assessment strategy and award structures are owned by Skills for Care and Development (of which the Scottish Social Services Council are partners) and Skills for Health.

Codes

The first code before the Unit title (six digits) indicates the SQA Unit code, which should be used when registering candidates for this Unit with SQA. This code should also be used when contacting SQA to discuss any queries related to the Unit.

The code in brackets indicates the National Occupational Standards Unit code. This code is abbreviated to just the number at the end, which is in bold, when being referenced by candidates in their work, eg SCDHSC 00**21** is referred to as **21**.

Structure of the SVQ

To achieve the SVQ level 2, candidates are required to complete **six** Units. **Four** core/mandatory Units plus **two** optional Units

(Please note that in this qualification there are no elements in each Unit — instead there is a continuous list of Performance Criteria that need to be evidenced. These Performance Criteria are grouped under separate headings to aid the assessment planning process.)

Registration

For registration purposes the Scottish Social Services Council (SSSC) require the completion of all **FOUR** core Units and **TWO** optional Units.

SCQF Credits and levelling

SCQF Overall credit — Minimum 51 and Maximum 58

SCQF level 6

Core/mandatory Units — Complete all four Units
