

Elections in Frankfurt / Main

- Representation of Immigrants: November 2020
- City elections: March 2021
- German federal elections: April/May 2021
- Hesse state parliament: 2023
- European Parliament: 2024

Are you a foreign citizen?

You will not automatically receive your election letters for the Immigration advisory council elections. You have to enter a written registration to the election register in advance. We would be glad to help you with that.

Are you a german citizen?

You will automatically receive your election letters for the political elections. We recommend to choose the postal vote, since it is comfortable and ensures nothing will be forgotten on the election day.

In both cases, please registrate. Only with a registration will we be able to contact you, remind you and provide the appropriate templates. The registration is free of charge.

Active for Frankfurt!

Multinational Organization in
Rhein-Main (MOR)

All citizens, independent of their
nationality, origin and religion can
contribute ideas and actively participate to
improve our city of Frankfurt Main.

About us:

We are a multicultural working group from all social classes and cultures in Frankfurt. Together we founded the Multinational Organization Rhein-Main (MOR) in order to support out fellow human being with a political voice. We are already working to support the interests of Mankind in the future.

We have been working on a voluntary basis in the social and multicultural field since 2010 and have already developed, initiated and successfully carried out dozens of projects. Thanks to our effective cooperation with various officials projects, we have received a lot of praise and were able to win members, sponsors and friends. The almost infinit trust of our numerous supporters in the entire Rhein-Main area, is the source of our motivation.

Our Vision:

1. To Improve conditions in public institutions. For Example the foreign Offices.
2. The abolition of language requirements for family visas to Germany.
3. Permanent visa for family members.
4. Better support in dealing with the gov. authorities.
5. Provide a multilingual guidance in the first periode.
6. Creating educational opportunities for everyone.
7. Attractive language offers for the all family Members.
8. Equal opportunities on the job market.
