As the range is growing and growing its sometimes impossible to have everything in stock. My tactic the last weeks was to send a shipping asap even if 1 or 2 miniatures are missing because most of you guys start asking after a tracking latest one day after payment- so from now on:

1. tell me if you want your order only complete or asap.
2. If you choose asap then please accept that i add the missing miniatures to your next order, or accept a refund for it. I won t send single miniatures missing alone anymore. Shipping is higher then the cost of 1 miniature and it takes a lot of time.
3. If you want only complete, then please accept that shipping can take 1-2 weeks if i have to restock something. It s not usual, but it can happen
4. You can track everything on <https://www.dhl.de/de/privatkunden/pakete-empfangen/verfolgen.html?piececode=>
5. Minimum order is 40 Euro and always send your adress with your order please
6. Be patient and don t spam me with requests after your payment!
7. Mark single miniatures on screenshots and list full units just in you order or send pics for all. Please don t split orders on multiple emails, if possible

Thank you very much. I m very happy this grew that much and we have our little community
