Information on using Sanders Bus Services.

For anyone unfamiliar or new to using bus services here are some useful tips:

Please be at your stop in good time, we suggest 5 minutes before departure time, and when you see the bus approach the bus stop, put out your arm to clearly let our driver know you wish him or her to stop for you.

On entering the bus if you have a concessionary smart card or cashless card place it on the reader on the ticket machine. Tell the driver where you want to go and if you don't have a smart card you can pay by cash.

Take a seat and relax. If a seat is not available and you have to stand please hold on tight to one of the poles provided. On double deck vehicles if travelling a longer distance please consider leaving the seats downstairs for our more elderly passengers and those making shorter journeys's. If you have a child in a buggy you are welcome to use the wheelchair space if available to avoid collapsing it, however we hope that you will willingly vacate this space should a wheelchair user wish to board.

Keep your ticket with you, check it is correct, and then dispose of it appropriately when you leave the bus.

When you wish to leave the bus press the bell push/ stop button on the upright stations that are throughout the bus and the driver will stop at the next bus stop.

Fares and tickets.

We currently have 3 classes of ticket – Adult – Child (under 16) and a reduced cost 16 – 19 Inbetweener fare.

We sell single, return and 3 & 7 Day travel tickets on bus –We also sell a NEW coast rover ticket that will allow you unlimited travel on Coastal services of both Sanders and Lynx Cost is £10.00 Adult - £8.50 16-19 and £7 Child.

We accept all English National Concessionary Cards from all English Counties on all of our services between 09.30 and 23.00 Hrs Monday to Friday and all day Saturdays / Sundays and Bank Holidays. You must scan passes on every service you travel on otherwise we lose money and services may fail as a result. **Please note Coasthopper is 2 separate services numbered CH4 and CH5 if you pass through Cromer you must scan your concessionary pass on both Coasthopper services even though for your convenience you will not need to change buses.**

We will be able to introduce contactless card payments in the very near future watch our website for updates.

DOGS: We welcome dogs on all our services but do make a charge of 50p per dog per journey. Drivers will use their discretion about how many dogs they allow on the bus at one time. **We have added a NEW all day £1.00 dog Rover ticket.** Please keep dogs off of the bus seats in respect of the next traveller.

Keep up to date with what is happening.

We have an up to date website www.sanderscoaches.com go on it and have a look – On there you can sign up to our e mail alert system and whenever we post a notice about roadworks or any other issue that may affect your service you will get a e mail alert direct to your computer or smart phone if you have one.

Journey Travel Planning

There is opportunity for you to swap between any of our services to make longer journeys. You can catch our X44 group of services from Norwich – Aylsham etc to join Coasthopper at either Cromer or Sheringham – Coast Rover tickets will be available on this service for seamless transfer to Coasthopper – Ticket also valid on Lynx Bus for Coastliner 36 from Wells to Holkham Hall and Hunstanton etc. Other linking services are 6 & 6A from Gt Yarmouth and Stalham & 55 from Old Catton & Coltishall see separate timetables in our current timetable booklet.
