Equinox Commercial Finance

We specialise in providing access to a broad range of financial products and services. Even in cases of poor credit, or sometimes unusual or challenging circumstances, we can still find the right solution for our clients. With access to over 250 lenders, we are truly whole of market, which ensures we can source the best possible terms for customers.

We understand our customers' needs and have an appreciation for the challenges faced by SMEs in today's market. We provide a consistently high level of service and our team are very experienced and knowledgeable across a broad range of financial product. We tailor our solutions to meet our clients' needs and consistently deliver great results.

We provide a free no-obligation advice service to assess client options. We then speak to the appropriate lenders before feeding back our recommendations. In addition, there are no fees to pay until an agreement is in place.

Finance Solutions for Businesses

Business Loans

Business loans are specifically tailored to enable businesses to achieve more, by facilitating a company's ability to grow. Be it moving or purchasing new premises or acquiring new equipment, we can provide funding for almost any legitimate business purpose.

Invoice Finance, Factoring & Spot Factoring

A business's cashflow can be seriously affected by late invoice payments. By using invoice finance, discounting or factoring solutions, you can gain control of your cashflow and manage to pay staff and suppliers without worrying about any late payments of invoices.

Asset Finance, HP & Leasing

Finance across motor vehicles, lifestyle & specialist transport and equipment. We will consider both hard and soft assets, new and used.

For further information about assets we can fund and any other business finance requirement please contact us and we will be happy to discuss your options.
