

The feeling of electricity pulsed through Flynn's body, power spreading, daring to take over. His obsession with 'Frankenstein' and 'Dr Jekyll' had led to his own experiments ... how could he make himself more powerful, more influential?

As electricity and lightning began to spark all around him, concealing, blanketing his body, a grin appeared. The power was intoxicating. Was this what he had been searching for?

Violently, he shot headlong across the room. Flickers and flashes of light illuminated the clouds of smoke that covered him. With one final jolt his body lay motionless, fiery white-hot eyes staring blankly.

1. Who are Frankenstein and Dr Jekyll?
2. Which words show movement? What kind?
3. If you could ask Flynn a question, what would it be?
4. What has happened to Flynn? Why do you think this?
5. Do you think that Flynn has found what he is searching for? Why?
6. What do you think happened before this story began? Explain why.

Be a detective.
