

MIRA COSTA FOOTBALL BOOSTER CLUB 2017-2018

Booster Club Donations

As we approach the upcoming 2017-18 regular season the booster club board feels compelled to remind you of the importance of your donation (fair share contribution) of \$350. While most of our fundraisers have been successful, they are only a small part of the monies needed to fund our amazing program. **The football program does not receive any of the money from game ticket sales.** It is a self-sustaining, parent-funded program that relies solely on your fair share donations and our fund raising efforts to continue.

In order to meet Football Program costs, we are suggesting a donation of \$350 per athlete.

We realize that many families find it hard to make this donation, but would you please consider donating the amount you can afford? Every dollar donated is appreciated and helps us with our financial commitments. 100% of this donation remains in our program.

Please accept my challenge to review your personal budget and GIVE generously to the football program. \$350 is the requested amount however any amount will be gladly accepted. All donations are confidential and can be sent to our BOX (listed above), donate online through MBX or if you would prefer to use a credit card you may contact Justine Hunter at justinecpa@gmail.com and she will process it. For Your Tax Records: you will receive a tax donation receipt from MBX FOUNDATION.

Thank you for your consideration. GO MUSTANGS!
