MX VERTICAL

WORLD'S MOST ADVANCED ERGONOMIC MOUSE

Target audience:

- Users suffering from RSI

Ergonomic Design

- Hand-sculpted 57° vertical shape
- Designed for a natural grip (Reducing pronation & Ulnar deviation)

Features

- Wired & Wireless (BT, UFY & Data through cable)
- USB-C and rechargeable
- New tracking sensor (pluto)
- 4000 DPI adjustable on-the-fly

RRP € 109.99

MX MASTER 3

MX Master 3 is instant precision and infinite potential. Designed for designers and engineered for coders, it's our most advanced Master Series mouse yet. The near-quiet electromagnetic MagSpeed wheel provides up to 90% more speed¹ and 87% more precision.² App-specific button customizations speed up your workflow in the apps you use most.³ 4000 DPI Darkfield sensor means you can track virtually anywhere – even on glass.⁴ It's faster and 5x more accurate than the basic mouse.¹ Your hand rests perfectly on the sculpted form and Flow allows you to work across multiple computers and operating systems –transferring les, images and folders in one fluid workflow.

RRP € 109.99

MX ERGO

Logitech's most advanced trackball for trackball enthusiast and consumers searching for alternatives to mice and touchpads. Delivers 20% less muscular strain than a regular mouse. An adjustable hinge offers personalized comfort. Precision mode button allows to instantly switch between speed and precise tracking. Easy-Switch™ and FLOW enabled for effortless multi-computer workflow. Pair up to 2 computers and easily switch between them. Copy and paste text, images and files.* Fast-rechargeable battery lasts up to 4 months on a full charge.** Connect using the included Logitech® Unifying™ receiver or via Bluetooth®.

RRP € 109.99

MX ANYWHERE 2S

MX ANYWHERE 2S is the advanced mobile mouse for power users. Harness the power of Logitech FLOW and take multi-computer use to a bold new level. Control up to three computers and seamlessly move text, images and files between devices. Fly through documents with hyper-fast scrolling. MX ANYWHERE 2S holds a full charge for over two months and in just three minutes you get enough power for a full day of usage. Work virtually anywhere with high-precision tracking – even on glass. Its compact, sculpted shape is crafted to provide the control you need anywhere – at home, at work or on the go.

RRP € 89.99

M720 TRIATHLON MOUSE

Built for endurance, versatility and comfort, the M720 Triathlon Mouse helps you succeed in a multi-device world. You'll be powering through tasks thanks to the Easy-Switch technology that lets you switch seamlessly between 3 computers. You'll fly through documents and web pages using the hyper-fast scroll wheel, and hardly spare a thought to changing batteries thanks to 24 months of power on one AA battery. The medium-sized sculpted shape fits comfortably under your hand, and the keys are designed to withstand up to 10 million clicks. You can connect to Windows® and Mac via the tiny Unifying™ receiver or via Bluetooth® Smart wireless technology.

RRP € 69.99

M590MULTI-DEVICE SILENT WIRELESS MOUSE

COPY-PASTE FROM ONE COMPUTER TO ANOTHER USING LOGITECH FLOW. Talk about a game changer! With Logitech FLOW, M590 Multi-Device Silent has the almost magical capacity to navigate seamlessly on two computers and copy-paste from one to the other – even if you're using a PC and a Mac.* It certainly beats sending yourself emails! M590 also comes with a host of other features to improve your productivity, your way: silent clicks; fast and easy scrolling through long web pages; five programmable buttons, including two handy thumb buttons; a 2-year battery life and a curved, domed shape that supports your palm comfortably during long hours of work or play. Dual connectivity (Bluetooth® or 2.4 GHz Logitech Unifying™).

*Requires Logitech® Options™ software, available for download at logitech.com/options.

RRP € 49.99

WIRELESS MOUSE M705

Logitech® Wireless Mouse M705 lets you power on... and on. It uses far less power than comparable wireless mice from other companies, so you'll go up to three full years between battery changes*. And it uses a tiny wireless receiver that stays plugged in to your computer, so your mouse is ready to go – whenever, wherever and for as long as it takes. Plus, hyper-fast scrolling means you'll fly through long documents to find what you need in a flash. Laser tracking means you'll get smooth, responsive cursor control. And the sculpted, right-hand shape means you'll be as comfortable finishing up as you were getting started.

RRP € 49.99

M330 SILENT PLUS

SIMPLE. RELIABLE. STRONG. You get a reliable connection up to 10 metres (33 feet) away thanks to the plug-and-forget nano receiver. M330 SILENT PLUS also features Logitech® Advanced Optical Tracking for precise moves on almost any surface.

RRP € 39.99

M220 SILENT

With the same click feel and 90% noise reduction* compared to classic mice, M220 SILENT offers a quiet experience for yourself and those around you. It has a long-lasting 18-month battery life with auto-sleep and a powerful 10-metre wireless range** with 128-bit encryption between the mouse and the receiver. Plus, its small size is perfect to toss in a bag and go. Just plug the tiny USB receiver and it works with Windows®, Mac, ChromeOS™ or Linux®. Finally, the Logitech® Advanced Optical Tracking is designed for smooth and precise moves on almost any surface.

*Sound level comparison with Logitech M170. Measured by an independent lab and verified by Quiet Mark™

**Actual battery life and wireless range may vary based on your use

RRP € 24.99

M185

Plug-and-play wireless connection: Enjoy the freedom of a wireless connection that works as reliably as a wired mouse.

One-year battery life: You can go a year without the hassle of changing batteries. The on/off switch and smart sleep mode help you save even more power.

Logitech's proven reliability: The M185 is built for quality and reliability.

Tiny USB nano-receiver that can stay plugged into your notebook: Set up is easy: Just plug the nano-receiver into your notebook and get started. The tiny receiver can stay plugged in all the time, even when you're carrying your notebook. And if you need to remove it, it easily stows away in the mouse-so it can't get lost.

RRP € 16.99

M90

M90 gives you just the basics for comfortable, reliable control of your computer. It's built by Logitech – the mouse experts – and comes with the quality we've built into more than a billion mice. There's no software to install. And since it's corded, you can just plug the cable into a USB port and use it right away. The full-size, ambidextrous shape means your hand will rest comfortably, while high-definition optical tracking (1000 dpi) means you'll get responsive, smooth cursor control for precise tracking and easy text selection.

RRP € 9.99

RRP € 39.99

MX KEYS

Introducing MX Keys, an advanced wireless illuminated keyboard crafted for efficiency, stability and precision. Perfect-stroke keys are shaped for your fingertips and increased key stability reduces noise while optimizing responsiveness. Tactile reference for hand positioning makes it easy to stay oriented and in your own. The backlit keys light up the moment your hands approach, and automatically adjust to suit changing lighting conditions. MX Keys follows your MX Master 3 – or other. Flow-enabled mouse – from one computer to another, meaning you can type on multiple devices in one fluid workflow.

RRP € 109.99

CRAFT - ADVANCED KEYBOARD WITH CREATIVE INPUT DIAL

Introducing Craft, complete creative control at the desk. Type with confidence on a keyboard crafted for efficiency, stability and precision. Backlit keys light up the moment your hands approach and automatically adjust to suit changing lighting conditions. The creative input dial revolutionizes the way you work by giving you instant access to the tool you need, the moment you need it. Touch the dial to instantly access a menu of functions, tap to change function and turn to change the selected function's value. The intuitive dial adapts to the app you're using – keeping you in your flow and completely focused on your work

RRP € 199.99

WIRELESS ILLUMINATED KEYBOARD K800

Wireless Illuminated Keyboard K8002A brilliant typing experience – day or night Windows-based PC- Windows® XP, Windows Vista® or Windows® 7 - Available USB port - Internet access required for software download (software required for connecting additional devices with Unifying receiver; available for download at www.logitech.com) Logitech® Wireless Illuminated Keyboard K800 delivers a brilliant typing experience – day or night. You can type easily – even in the dark – with brightly backlit, laser-etched keys that provide precise, adjustable illumination. With sleek lines, a clear edge and low-profile keys, the streamlined design adds style to your workspace – whether you've got a laptop or desktop. You'll also enjoy comfortable, fluid and whisper-quiet typing with the PerfectStroke™ key system and durable Logitech Incurve keys™ that cradle your fingertips. And your keyboard is always ready when you need it thanks to the micro-USB cable that lets you recharge while you type and the tiny Logitech Unifying receiver that you can plug and forget.

RRP € 119.99

K780 MULTI-DEVICE

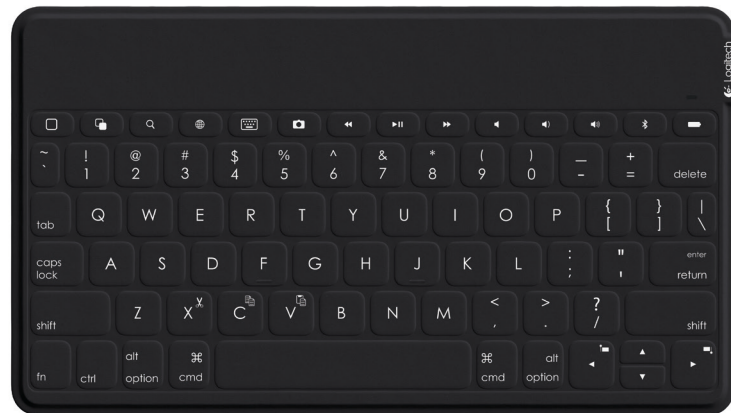

Type on your computer, smartphone and tablet – with one fully equipped and beautifully finished keyboard. The K780 Multi-Device lets you switch typing easily between all the devices you enter text on, whether Windows or Mac, Android or iOS.* A rubber cradle holds phones and tablets at a perfect angle as you type comfortably on whisper-quiet keys.

*USB-equipped or Bluetooth® Smart ready device that supports an external keyboard (HID profile)

RRP € 109.99

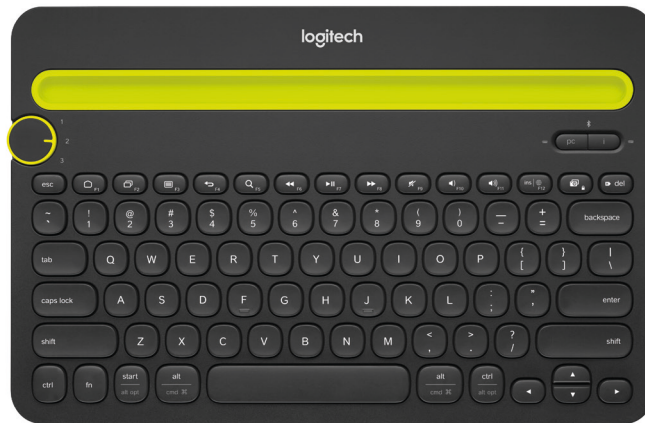

KEYS-TO-GO

Logitech® Keys-To-Go is the super slender, uber handy, fit anywhere, go everywhere Bluetooth® keyboard. Tuck it in your purse, between the pages of your magazine, inside your coat pocket or even your beach bag. It's ready whenever and wherever you are. Keys-To-Go has a durable Fabric Skin so it's not afraid of spills, drops or getting crumbs under the keys. The integrated Bluetooth® keyboard with iOS shortcuts and well-spaced keys makes typing familiar, fast and accurate. Its rechargeable battery lasts three months.* Packs light, types comfortably and wipes clean so you're never at a loss for words.

RRP € 69.99

MULTI-DEVICE BLUETOOTH® KEYBOARD K480

The Bluetooth® Multi-Device Keyboard K480 is a unique cross-device keyboard for your computer that also works with your tablet and smartphone. The Easy-Switch™ dial lets you switch typing easily between 3 connected Bluetooth wireless devices and the integrated cradle holds your phone or tablet at just the right angle for you to read while you type. You'll find a familiar keyboard layout with all the shortcut keys you use the most, whether you're typing on a Windows, Mac or Chrome computer, or an Android or iOS tablet or smartphone.

RRP € 54.99

K380MULTI-DEVICE BLUETOOTH®KEYBOARD

The Logitech® K380 Multi-Device Bluetooth® Keyboard brings the comfort and convenience of desktop typing to your smartphone, tablet and more.* Connect with up to three Bluetooth-enabled devices simultaneously and switch instantly between them. As the keyboard is compact and lightweight, you can use it to type on the device of your choice, anywhere around your home. No matter what device is connected to the K380, the typing experience is familiar and includes your favorite hotkeys and shortcuts. Two years of battery life** virtually eliminates power concerns. You may even forget the keyboard needs batteries!

*Bluetooth-enabled devices that support external keyboards

**Battery life may vary based on your use

RRP € 49.99

WIRELESS KEYBOARD K270

Logitech® Wireless Keyboard K270. Reliable wireless—wherever you use your keyboard. The tiny Logitech Unifying receiver is small enough to stay in your laptop. Plus, you can easily add another compatible mouse or keyboard—without the hassle of multiple USB receivers. With Logitech Advanced 2.4 GHz wireless connectivity, you'll enjoy virtually no signal loss from up to 10 meters away.* You can go for two years without battery hassles.** Eight hot keys and plug-and-play setup that takes just seconds add to the simplicity. The familiar, full-size layout—including number pad—gives you all the right keys right where you'd expect them. And it's built to last with the high quality and reliability Logitech is known for, with a spill-resistant design*** and UV-coated keys for durability.

*Wireless range may vary due to environmental and computing conditions

**Battery life may vary depending on your use

***Tested under limited conditions (maximum of 60 ml liquid spillage)

RRP € 34.99

DESKTOP MK120

Logitech® Desktop MK120. A durable duo that brings comfort, style and simplicity together. You'll be comfortable with the keyboard thanks to the low-profile, whisper-quiet keys and standard layout with full-size F-keys and number pad. With its thin profile, spill-resistant design*, durable keys that can withstand up to 10 million keystrokes** and sturdy, adjustable tilt legs, this sleek keyboard not only looks and feels good – it's built to last. Plus, it's got easy-to-read keys. The high-definition optical mouse puts comfort and control in your hands with smooth, accurate tracking and a comfortable, ambidextrous shape. And setup is simple – you just plug your keyboard and mouse into USB ports and start using them right out of the box.

*Tested under limited conditions (maximum of 60 ml liquid spillage).

Do not immerse keyboard in liquid

**Excludes number lock key.

RRP € 24.99

LOGITECH BRIO 4K

Logitech® delivers our best ever webcam with 4K UHD and 5X zoom for truly amazing video quality. BRIO's 4K image sensor is a next-generation powerhouse that enables 5X digital zoom, high frame rates and multiple resolutions to optimally support any compute/network environment. Logitech's RightLight™ 3 with HDR helps you look your best in any illumination, from low light to direct sunlight. Advanced Logitech optics deliver razor-sharp video resolution with autofocus and multiple FOV options – 65°, 78°, and 90°. BRIO is also packed with extras, including support for infrared-based facial recognition to strengthen login security, works with Microsoft Cortana®, supports multiple connection types, and provides the freedom to mount the camera wherever it works best – LCD screen, notebook, or tabletop – with the removable clip or embedded tripod thread.

RRP € 249.99

C922 PRO STREAM WEBCAM

The Logitech® C922 Pro Stream Webcam lets you stream vibrant, true-to-life HD 1080p video at 30fps. At the hyper fast frame rate of 60 fps in HD 720p, you'll be live-broadcasting with no lag or distortion. HD autofocus and light correction adjust to accommodate dim lighting, flickering room lights or multiple computer screens and provide consistently high definition. Dual mics on either side of the lens capture natural sound. The tabletop tripod comes extends to 18.5 cm so that you can adjust C922 to the most flattering angle. The webcam includes a free 3-month premium XSplit license.

RRP € 119.99

C270 HD WEBCAM

The C270 HD Webcam lets you make widescreen video calls in HD 720p with clear, sharp image quality. Because it adjusts automatically to lighting conditions, you'll get brighter images despite dim lighting. Its noise-reducing mic ensures your conversations are clear even in busy surroundings. This small, agile and adjustable webcam brings a whole new angle to video calling, letting you record HD videos and posting them on your favorite social media. You can attach it securely to your screen using the universal clip, or sit it on a shelf or desk.

RRP € 34.99

SLIM COMBO WITH DETACHABLE KEYBOARD AND SMART CONNECTOR FOR IPAD PRO 12.9 INCH (1ST AND 2ND GENERATION)

The only way to Pro. Slim Combo is the ultimate companion to your iPad Pro. With its four modes – Typing, Viewing, FaceTime and Reading – and 50 degrees of viewing angles, there are no limits to how you use your iPad Pro. Its full-size backlit keyboard with iOS shortcuts takes typing to the next level. And thanks to the Smart connector, the latest generation of connectivity from Apple, your keyboard pairs with iPad Pro in a click and never requires charging, taking power directly from your iPad Pro. The Slim Combo's Apple Pencil holder makes sure that accessory is always by your side

RRP € 149.99

SLIM FOLIO PRO FOR IPAD PRO 12.9-INCH (3RD GENERATION)

Enjoy laptop-like typing anywhere, day or night, with Slim Folio Pro for iPad Pro 12.9-inch (3rd gen). Three distinct use modes ensure you can always work at your highest level no matter where you are – a café table, desk or even your lap. The light and durable case also keeps your device protected from bumps, scratches and spills. It features a convenient spot to charge and stow your Apple Pencil (2nd gen). Bluetooth® Low Energy provides a reliable connection and the keyboard lasts up to 3 months on a single charge (based on 2 hours daily use).

RRP € 129.99

RUGGED FOLIO

KEYBOARD CASE FOR IPAD (7TH GEN)

Think you need a chunky case to protect your new iPad (7th gen) from drops, spills and scratches? Think again. Rugged Folio is a surprisingly slim keyboard case with military-grade drop protection for iPad. Rugged Folio was designed to withstand the toughest environments, while also giving you the comfort and style you crave. It features four use modes for typing, sketching, viewing and reading, spill-proof and silent keys, as well as convenient shortcut keys. This light all-in-one case provides front and back protection for your device and even features a convenient spot to store your digital pencil.

PRO SERIES

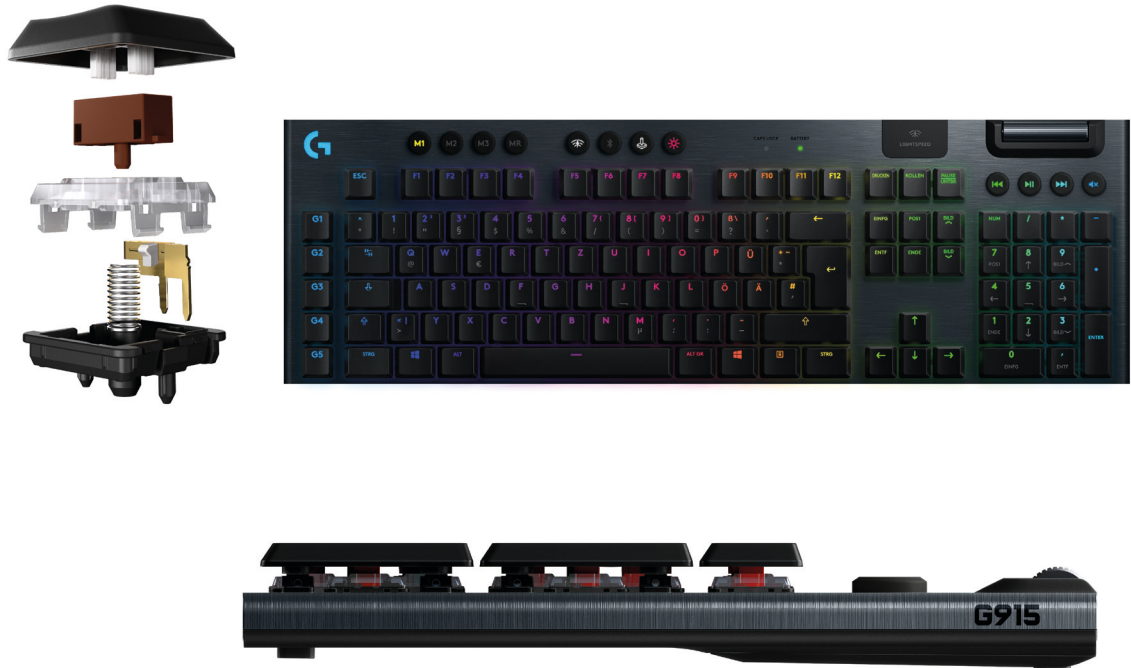

PRO MECHANICAL GAMING KEYBOARD

Logitech G Pro Gaming Keyboard is designed and built to the exacting specifications of eSports athletes worldwide. Featuring the fastest and most durable Romer-G™ switches in a compact and ultra-portable ten keyless design, plus advanced performance built in: game mode button to disable Windows® key and avoid accidental actuation, macros to execute complex commands in a single keystroke, 87 key anti-ghosting and 26-key rollover for precision control, and onboard memory to store your lighting configuration. This is the keyboard designed to give you the competitive edge. Pair it with Pro Mouse for a double advantage.

RRP € 129.-

G915 LIGHTSPEED WIRELESS RGB MECHANICAL GAMING KEYBOARD

G915 is a new class of wireless mechanical gaming keyboard with three selections of low-profile GL switches and pro-grade 1 MS LIGHTSPEED wireless. Capable of delivering 30 hours of non-stop gaming on a full charge.* Fully customizable per key, LIGHTSYNC RGB technology also reacts to in-game action, audio and screen color as you choose. With a sleek, impossibly thin yet durable and sturdy design, G915 brings gamers to a higher dimension of play. Programmable G-keys let you create and execute complex actions simply and intuitively, while the volume wheel and media keys give you fast, easy control over video, audio and streaming.

RRP € 249.-

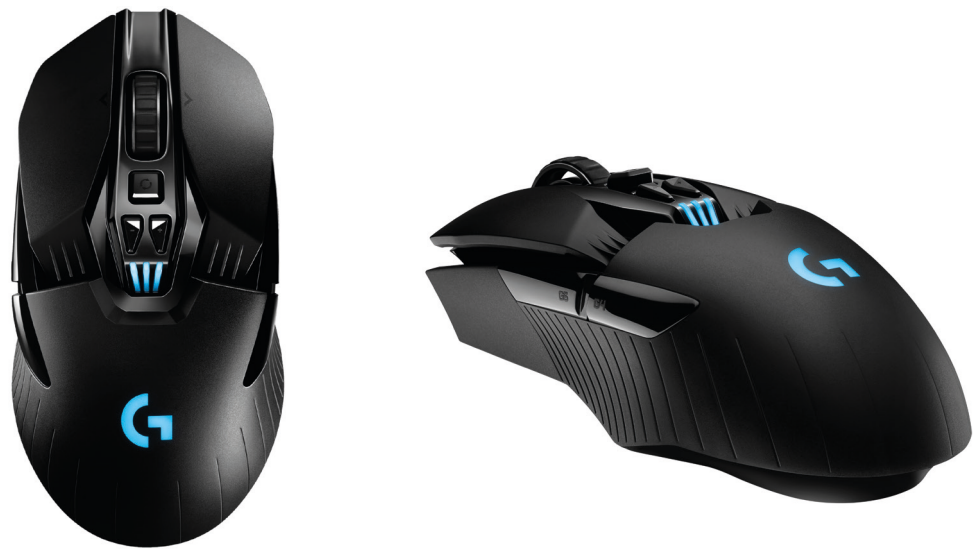

G815 LIGHTSPEED RGB MECHANICAL GAMING KEYBOARD

G815 packs advanced gaming technologies into an ultra-thin and sophisticated design. Fully customizable per key LIGHTSYNC RGB technology also reacts to in-game action, audio and screen color as you choose. With a sleek, impossibly thin yet durable and sturdy design, G815 features high-performance low-profile GL switches available in Clicky, Tactile or Linear versions. Programmable G-keys let you create and execute complex actions simply and intuitively, while the volume wheel and media keys give you fast, easy control over video, audio and streaming. G815 also features a USB passthrough to quickly plug in a flash drive or another device to charge.

RRP € 199.-

G903 LIGHTSPEED™ WIRELESS GAMING MOUSE

Trusted by top esports professionals, G903 with LIGHTSPEED™ wireless technology delivers incredible responsiveness for competition-level twitch targeting. Featuring the world's most advanced PMW3366 optical sensor, G903 offers superior tracking accuracy and consistency even at speeds over 400 IPS. Primary left and right buttons feature advanced tensioning and metal pivot hinges for consistently crisp, clean and rapid-feedback clicks. The flexible ambidextrous design, customizable lighting and a lightweight 110g design means G903 is ready to meet your exacting preferences. Add POWERPLAY™ wireless charging system to keep G903 charged while at play and at rest.

RRP € 179.-

Premium USB external sound card gives you crystal-clear game sound and voice chat. Designed for tournaments with downloadable audio EQ profiles tuned by your favourite esports pros. Play to win.

RRP € 129.-

G433

7.1 SURROUND GAMING HEADSET

DTS 7.1 SURROUND SOUND + PRO-G DYNAMIC AUDIO RANGE

- Hear your games as intended in 360-degree positional surround sound.
- Patent-pending Pro-G technology features hybrid-mesh audio drivers that solve common distortion problems, to deliver booming bass and precise highs.
- DTS Headphone:X functionality surrounds you in 7.1 channels of sound, so you put your head inside the game.

DETACHABLE, TRANSFORMABLE

- With noise-reducing boom mic and gaming cable in, G433 is a full-featured gaming headset. Detach the boom and switch to the included mobile cable to make G433 a streamlined, apparel headphone that goes where you go.

LIGHTWEIGHT AND COMFORT

- Headset performance used to be confined to the gaming rig. Not with G433. Now, all that immersive audio is wrapped in lightweight, hydrophobic, stain-resistant fabric for gaming apparel as wearable as your sneakers. It's time to take PC performance out into the world.

RRP € 129.-

G935 WIRELESS 7.1 SURROUND SOUND LIGHTSYNC GAMING HEADSET

G935 is the ultimate wireless gaming headset, enhanced with the most advanced Logitech audio technology. Hear more detail with large 50 mm Pro-G drivers, made of woven hybrid mesh designed to reduce distortion. LIGHTSYNC RGB lighting is fully customizable and reacts to in-game action on supported games. For maximum immersion, DTS Headphone:X 2.0 surround sound creates precise in-game positional awareness. Hear enemies sneaking up behind you, sense air attacks or special-ability cues, and enjoy the full cinematic experience of your favorite games. Additional gaming features include a large 6 mm flip-to-mute mic and programmable G-Keys on the headset.
