Annual awards of \$1,500 scholarships for freshman recipients, \$1,000 first-year Clarence O. **A scholarship applicant must be a GBU member the year applying for the scholarship and remain a GBU member for the tenure of the scholarship.**

High school student applicants are those applying for a scholarship to attend a four-year accredited college (Freshman program). Winners are selected on the basis of the results of the SAT or ACT test, school transcripts, essay, recommendations, in addition to judges' opinion of each applicant's potential.

For those already attending an accredited college (Undergraduate and Graduate programs), recipients will be selected on the basis of their transcripts, activities and club memberships.

If you are enrolling in a vocational/technical school, nursing program, etc., or you are in your first year of study in such (Two-Year program), judging is based on high school records or transcripts from the current vocational/technical school attending, activities and club memberships.

Please contact the Fraternal Department if the applicant does not receive confirmation of application from the GBU Home Office within two weeks after sending.
