CHAIRMAN'S MESSAGE

Welcome to the 2021 events programme, I write this message as I enter my third and final year as your centre Chairman and what a year we have had, who would have thought we would witness the events we have seen and how they have changed our lives. It is a privilege to serve as your Chairman again and I hope you can enjoy a good number of rallies this season.

In my last message I suggested that the 2019/20 season would bring with it some interesting challenges, however, I was only talking about financial ones, not the fact that our rally programme would be decimated by COVID-19 and I hope that is not the case for 2021.

We have a full programme of events and my thanks go to our ex Rally Secretary Merve for his hard work and thanks to the rally Officers for being prepared to run the rallies under some new and quite demanding COVID policies.

Again, this year we have a small committee which means that we are all doubling up on jobs but I am pleased to announce that we do have a Vice Chair for this season in Denise I hope she enjoys her time as much as I did in that role.

I must remind you, that all your officers and committee members give up their own free time to work to ensure this centre is thriving and a good place to come rallying, my thanks go to them for their constant hard work and support.

Our website is up and running and improving all the time, it's the place to go for all things centre related. I thank Laura for compiling this handbook, during these difficult circumstances, as this year most of our main sponsors are not subscribing to the programme due to the effects of COVID.

I welcome back Joe and his young caravanners committee, who in his first year of chairmanship has had a baptism of fire, don't worry Joe it can only get better and we look forward to what events and money raising ideas they get up to this season.

Let's pray for decent weather and good rallying in 2021 and Suzanne and I hope to see you on many rally fields this year.

Steve

NORTH YORKSHIRE CENTRE RULES

1. Any site or part of a site on which a rally is held shall be for the exclusive use of the members of the Caravan Club caravans. The attendance at the site and/or payment of the Rally fee shall be an acceptance by the member of these rules.
2. The Centre Committee reserves the right to refuse the use of the Rally site to any member, without being obliged to give a reason, or to request any member to remove his caravan.
3. The authority for the conduct of the Rally shall be vested, for the time being, in the Rally Officer or his appointed deputy, who in the event of a member breaking these rules shall be authorised to request such member to remove his caravan from the site and thereupon, the Rally Officer shall report the matter immediately to the Centre Committee for such action as shall be deemed necessary.
4. Every member must report to the Rally Officer on arrival at the site with his caravan before pitching. A member must be prepared to substantiate his identity by producing his membership card if requested to do so by the Rally Officer.
5. Each van and towing vehicle must be placed on the pitch indicated by the Rally Officer or his deputy, with the front offside corner of the van on the peg.
6. A non-returnable advance payment of £3 is required on booking. Unless previously paid, all Rally Fees shall be paid to the Rally Officer or his deputy on arrival at the site.
7. At the expiration of the period of the Rally the member's caravan must be removed from the site, unless prior arrangements were made by the Rally Officer with the site owner.
8. Members may use their own latrine tent if desired which must be erected in the position indicated by the Rally Officer. A pup tent to a maximum size of 6ft. x 4ft. may be erected in the space normally allocated for an awning. In addition, to protect the occupants, the tent must be surrounded by a windbreak that would also be within the area normally allocated for the awning. The tent is to contain no more than **"3 under 14 year old" or "2 over 14 year old"** children. All occupants of the tent must be dependants or in the care of members of the Caravan Club. Under no circumstances can gas, electrical or inflammable appliance be used in the tent.
9. Open fires are not allowed on the Rally field except with the consent of the Rally Officer.
10. Solid waste and waste water must be deposited in the receptacles and places provided, or as instructed by the Rally Officer.
11. The speed limit on the Rally site shall be **5 MILES PER HOUR**. Only fully licensed drivers are allowed to drive vehicles on the Rally site and in no circumstances are driving lessons etc. permitted.
12. Animals must at all times be held or tethered on leads not exceeding 12ft in length, and must be exercised in a designated area. Any person may, after due warning of a breach of this rule, be asked to leave the site by the Rally Officer.
13. **The receipt, by the Rally Officer, of the Rally Slip at least 10 days prior to the Rally shall be a pre-requisite to the supply of Rally Plaques. No member shall be entitled to a Rally Plaque unless they attend the Rally with their caravan.**
14. In view of the number of young children usually at a Rally, members must ensure that radios etc. are operated at a reasonable volume, so as to avoid waking children who may have been put to bed.
15. **The use of generators is limited to: 2 hours only between the hours of 10 am - 6pm unless you are the Rally Officer.**
16. On account of damage to caravans, flying kites, model aircraft and frisbys, use of bicycles, catapults and airguns in Centre Lines is not allowed on or over the site, and the playing of ball games is only allowed on the portion of the site designated by the Rally Officer.
17. There is no responsibility by the Centre, or Rally Officers for Accidents.
18. **THE RESERVATION OF SITE PEGS IS FORBIDDEN**, the only exception being that the Rally Officer be allowed this facility for their assistants.

19. Where the Rally Officer has made a specific request, in writing to the Committee, in advance of the events programme publication deadline, the Committee may authorise that the rally, social and other additional costs must be paid in full, at least 1 month prior to commencement of the rally. Where this is applied, no refunds will be made after this date.

20. Milk and / or newspapers will only be provided at rallies at the discretion of the Rally Officer, and this will be printed in the Centre Events Programme.

21. These rules are supplementary to the obligation which all members undertake on joining the Club, and which include the observation of the Caravan Code and the Country Code, but in the event of any variance these rules shall apply.

22.a. Members of the committee shall be expected to have an attendance at eight of the twelve committee meetings in one committee year. The year beginning on the first committee meeting in October immediately after the AGM and ending with the last committee meeting in September prior to the next AGM.

b. Members of the committee shall be expected to attend a minimum of one in every four committee meetings. Any committee member who misses three out of four committee meetings, using a rolling four month period will be deemed to have not met this expectation.

c. A member of the committee shall be expected to carry out effectively all the duties allocated to him/her. Any member who has demonstrably failed to do so over a period of 12 months will be deemed to have not met this expectation.

d. Any committee member who fails to meet the above expectations may, at the discretion of the rest of the committee, be removed from his/her position and/or be deemed ineligible to be nominated for committee for 3 years starting from the next AGM. Any committee member removed from their position has the right to make a statement to the committee as defined under rule 8 of rules governing centres.

When applying the above rules the committee must take into account any health related issues and extenuating circumstances that may have a bearing on the above. Every effort must be made to resolve the problem before applying the above rule.

23. There is no statutory limit to the time Committee Members or officers hold a post, with the exception of the Chairman's post which is limited to three years.

The retiring chairman will not be eligible to stand for any Centre Committee position for 3 years, unless during this period there is a vacancy for one of the three compulsory Centre Committee positions (Treasurer, Secretary or Chairman) and no nominations for the vacant position, then the retiring or immediate past chairman may stand for the vacant position.

Attendance awards (21 Rallies) and special attendance plaques.

If you are to achieve 21 rallies in the year or are to attend your 100th, 200th etc. rally, could you please inform the rally officer before the rally and as early as possible.

This will enable the committee member who is the Centre Committee representative for the rally to have the appropriate plaques at the rally to present to you.

GENERAL NOTES

For the information of new members, the Rallies referred to in this programme take the form of social gatherings of Caravanners who have a common interest in their hobby. Be tempted to attend one and meet your fellow members who will give you a warm welcome. In addition, special items of entertainment or amusements to coincide with some of the events have been arranged by the Rally Officers. Notes of these will be given to you on arrival at the Rally. **NO VANS SHOULD ARRIVE ON RALLY SITE BEFORE 5PM ON THE FIRST DAY OF THE RALLY, UNLESS OTHERWISE STATED IN THE HANBOOK.**

Study the booklet, select the rallies you would like to attend during the year, fill in and return to the Rally Officer a Rally Slip, ensuring that it reaches them not later than 7 days prior to the Rally. If you are attending your first rally with this Centre, please mark the rally slip where indicated before sending it off.

Remember that there are many children around the sites, **SO PLEASE KEEP YOUR SPEED DOWN TO 5 M.P.H.**

On arrival at a rally, report to the Rally Officer who will ask you for the balance of any rally fee due, together with the cost of any milk or newspapers ordered. They will then show you where they would like you to site your van. If you are attending your first rally make yourself known to the Rally Officer and any Committee Members who will be only too pleased to help you if you need any advice. If a member cancels a rally without 10 days prior notice, the Centre Treasurer will be instructed by the Rally Officer to reclaim any costs incurred in addition to the non-returnable £3 booking fee.

All members should make their own arrangements for sanitation at rallies, disposal facilities being provided. **OTHER REFUSE SHOULD BE TAKEN AWAY WITH YOU.**

If you have an animal please ensure that it is always under control. Keep it on a lead and exercise it away from the vans.

When the rally is over, please ensure that no litter has been left around your pitch and kindly return all empty milk bottles to the Rally Officer's van before leaving.

Remember at all times to observe the Caravan Code, including the Country Code, to which each member subscribes when joining the Club.

IN VIEW OF THE LIMITED ACCOMMODATION ON SOME RALLIES, EARLY BOOKING IS ADVISED.

The North Yorkshire Centre is involved with Northern Centres, Joint Yorkshire Sports and The Joint Yorkshire Six Star Rally and has an interest in a share of the assets of these groups, but also latent responsibility for any liabilities of the same.

ASSISTANCE GIVEN TO LEAVE THE RALLY FIELD, TOWING OFF

Should you accept the offer of a tow by a vehicle, other than your own, you do so at your own risk. Should any damage occur, neither the owner or the driver of the towing vehicle, can accept any responsibility what so ever. Members should affix the towrope to their own vehicle and remove it after being towed. A donation towards the cost of fuel is acceptable.

YELLOW FLAG

When the rally field is wet and unsuitable for cars a yellow flag will be flown under the Centre Pennant. Under these circumstances members must not take their cars on or off the rally field without the express permission of the Rally Officers.

This ruling is to prevent excessive damage to the landowner's property and your co-operation is required.

At the discretion of the Rally Officer however, the disability badge may override the yellow flag.

ABOUT RALLYING

WHAT IS A RALLY?

A rally is a gathering of Caravan Club Members, who enjoy the odd weekend away, with fun thrown in for good measure.

THE RALLY OFFICER.

Your Rally Officer is not an official like a Traffic Warden, but a friendly face to meet you when you arrive and has arranged the weekend for you.

WHAT TO DO

After you have booked your rally from this events programme and the weekend arrives, just follow the directions given in the events book. As you approach the Rally Field you will see directional signs to help you find your entrance. On arrival you will find the Rally Officer waiting for you at the rally office, which is usually the first van you see which should have a sign outside so you can find him. Once you have booked in, he will hand you an envelope containing the programme for the weekend and show you to your pitch. The field is marked out with ample space between caravans and with a tidy appearance. It is intended that the front offside of your caravan is on the marker and your car parked on the offside of the caravan when unhitched. You will also be shown where the fresh water tap and the elsan disposal points are.

Competitions and activities may be held on the field.

SOCIAL ACTIVITIES.

The rally may include a social on the Saturday night which is a family event, at a modest cost. This could take the form of a dance or a fancy dress or in the summer a B.B.Q. Your weekend often includes a competition or games for the children and adults alike. All these are entirely optional, but are always good fun.

FLAGPOLE.

You may have heard of strange goings on around the flag, do not be alarmed, this is also a fun event, and is where you and your fellow ralliers gather to have coffee. You will also hear the results from any competitions, welcome visitors and new ralliers, announce forthcoming events and rallies and most importantly, thank your rally officers.

We look forward to seeing you on a North Yorkshire Rally.

Steve, Denise, Suzanne, Karen and Carol your Centre Officers, also

Edward, Andy, Tony, Laura and Rachel your Centre Committee.

What is the Northern Region Council?

The Northern Region Council of the Caravan and Motorhome Club is built up of eleven Centres: Northumberland, Cumbria, North Lancashire, South Lancashire, Yorkshire Pennine, South Yorkshire, Durham, North Yorkshire, Yorkshire Dales, Mid West Yorkshire and East Yorkshire.

The Council holds four meetings a year with a Chairman, Treasurer, Secretary and Vice Chairman. There are two delegates from each Centre plus one non-centre member which form the committee.

What benefit is the Northern Region Council to us?

The Council has been formed to link the Centres to the Club Head Quarters. The Council feeds information from the Club to the Centres and vice versa. Any problems or concerns the Centres and their members have, can be aired at the Council meetings and if they are not solved at that meeting then the Officers of the Council can take to the Club in order to get a solution, this can then be fed back to the Centres.

The idea is a support mechanism for the Centres and their Members, as we all know that a problem shared is a problem halved or maybe solved.

Does it work?

Yes it does – many problems in the past have been solved and useful information with regard to Caravans, towing vehicles and members safety have been passed on.

Yes it does – many Centre Officers have had problems within their Centres and have brought the problem to the Council and got advice and support from other Centre Officers until a solution has been found.

Yes it does – by saving Centre Officers and member's time by bringing things to the Council for a solution instead of contacting the Club on smaller issues or non-urgent business, this also saves the Club staff time.

Yes it does – it helps to circulate information on events the Centres run, helping to promote throughout other Centres and the Club Magazine.

YELLOW FLAG

When the Rally field is wet and unsuitable for cars a yellow flag will be flown under the Centre Pennant. Under these circumstances members must not take their cars on or off the field without the express permission of the Rally Officers. This ruling is to prevent excessive damage to the landowner's property and your co-operation is required. At the discretion of the Rally Officer however, the disability badge may override the yellow flag.

SITE FINDER'S PLAQUE

A Site Finder's Plaque will be awarded to anyone who finds and runs a new venue not previously used by a North Yorkshire Rally.

ATTENDANCE RALLY BAR

An Attendance Rally Bar will be awarded to a Caravan Club member who has completed 21 rallies with North Yorkshire Centre in one season. It is the duty of the rallier to inform the Rally Officer when they have completed their 21 rallies.

Rule 5. Each van and towing vehicle must be placed on the pitch indicated by the Rally Officer or his deputy, with the front offside corner of the van on the peg.

A Message from your Rally Secretary

I'm taking over this role from Merve Griffiths, who has served on the committee for 12 years, and I hope I can fulfil this role as well as he has done. I would like to thank him for all his hard work and dedication to the North Yorkshire Centre.

2020 has been a difficult year across the country and for rallying with many being cancelled due to Coronavirus. I know it hasn't been the year we hoped but here's to 2021 and hoping we can have some normality back to caravanning. The rally programme has been put together with something for everyone, whether it's by the coast, in the countryside or near a town. Unfortunately, we will not be holding rallies at the following venues in 2021; Kelso, North Yorkshire Moors CAMC site, Foulden, Easby, Redcar Racecourse & Lightwater Valley. The 10% rally which has previously been held at Brompton-on-Swale has changed venues to Catterick Racecourse. We have a new rally at Donnewell Farm, Sedgfield and I would like to thank the rally officers for running a rally at this venue. As a centre we are always looking for new venues and people to run rallies. If you would like any more information, please get in touch with myself or another member of the Committee who will be more than happy to advise.

The pricing structure this year has had the allowance removed hence the difference in price from the previous year. If the rally officers wish to hold a social once the Government lifts restrictions, then arrangements will be looked at and an additional charge may be levied. When booking a rally in 2021, please contact the relevant rally officer with your name & contact details. Please do not send any £3.00 booking fee's or payments. A QR code will be available to scan at the rally office for the Governments track and trace system.

I hope you all enjoy the 2021 rally season with North Yorkshire Centre, and we look forward to seeing you on the rally field.
