The Ultimate DIY Hunt with warm Cabin Lodging for 6 hunters !

Hunt the Harrison Creek Lodge; this is a DIY hunt for elk, deer, and turkey. You will be staying in your furnished 3 bedroom cabin with 1 bathroom but a total of 3 sinks, with 85 private acres with a tree. Plus a pond surround by thousands of acres of the Grand Mesa National Forest, located by Colburn, Colorado. Cabin has bunk beds and will sleep six to seven.

One mule is available for packing your game out when needed. **This is non guided hunting and you fix all you own meals and bring your food. \$ 1800 per person per season reduced down to only \$995 per season if 4 or more hunters.**

3rd and 4th Seasons are over the counter and the others are available through the March draw and some leftovers.

It is located at 8000 feet which is ideal for elk and large bucks in **GMU421**. Easy gravel road access behind 2 locked gates. Owner will meet you and get you through the locked gates. Then show how to use all of the facilities. There is a \$100 refundable damage deposit for each group. Your group and another group may be there at the same time unless your group is 6 people. The cabin has Solar DC 12 volt power, running water and indoor toilet plus a Propane refrigerator and stove. When you arrive you will meet the owner in Colbran Colorado. He will get you through 2 locked gates into the cabin. Then he will instruct you on how to use the facility.

It is the same price for hunting deer, elk and turkey all at the same time or just staying at the cabin as a non-hunter. Groups can be combined to end up with 6-7 hunters if you don't have 6 in your group. Non-Hunting Guests price is the same as a hunter since it takes the same amount of space for a non-hunting guest as a hunter.

The area with water and such on the property has a adequate turkey population for turkey hunting while deer and elk hunting or only during turkey season.

Turkey Seasons
