Hunt 10,000 acres of great plains, grasslands, Shelter belts and Sandhills!

Put down a, "Buck and Kick up a Cock" is what we say for your Deer and Pheasant hunt.

Mule Deer, Whitetail Deer and Birds, the natural habitat of corn and milo fields, sandhills prairie, cane and weed patches, offers a bird and game hunting experience you won't soon forget! We provide the ground, the cover, the draws, the water, and the land provides the deer. Our main draw is our bird huntin but with so many acres we have areas for deer hunting only. This keeps the deer in an area and the bird hunting helps to push more deer in every time we hunt birds. Our rifle hunts are usually booked up but the archery and muzzleloader hunting are excellent.

Welcome to some of the best game hunting around. Add to that a pleasant lodge in which to stay, great food, dogs, and guides. You will also be the only hunters on our land. This is a great place for a, "BIRD & BEAST" Hunt of deer and pheasants.

Pheasant hunting in Nebraska is some of the best anywhere and we stand ready to prove this point with prepared food plots as well as natural cover in abundance. We intend to satisfy the most discriminate hunter! Hunting pheasants behind good, well trained pointing retriever dogs is truly an experience you will not forget and will be anxious to return to at your first opportunity! We offer both single hunter and group hunting trips. There is nothing like the thrill of pheasant hunting - one of the most challenging game birds available.

Your hunting trip is booked to your individual or group needs, providing genuine hospitality with overnight stays available in our comfortable hunting lodge which includes home-cooked meals. Many of our return hunters hold their company. We have trained bird dogs available or you can bring your own retriever dogs to further hone their hunting skills while in a live hunting environment.

Our land is the perfect habitat for ring necked pheasants, which provides hunters of any skill level the thrill of taking home their limit of game birds. We are truly dedicated to providing you a wonderful hunting experience. Be sure to book your pheasant hunting early as our calendar fills quickly. We think you will agree that we have the most reliable source for a quality pheasant hunting that will be remembered!

The population of our native prairie chicken and trophy Merriam turkeys are unrivaled across the plains! We can't guarantee you will shoot them but we can guarantee you will see them!
