Simone Biles dominated the world scene in gymnastics for the past three years and lived up to the SMASHING RECORDS

In 2016, USA women’s basketball remained truly dominant on the Olympic stage. Team USA’s six straight gold medals was the most in Olympic history. Since 2000, when this team made its debut, no team has won a gold medal in either the Olympic Games or World Championships and the gold medal at the 2012 and 2016 Olympics.

WASHINGTON, DC—On Sunday, April 3rd the 2016 NCAA Women’s College Cup was held in the nation’s capital.

The match was played on the grass at the Maryland SoccerPlex, the home of the US Soccer Development Academy. The game was between the Maryland Terrapins and the Missouri State Bears.

Maryland won the game 4-0, and with their victory, they became the first team to win the NCAA Women’s College Cup.

In the championship final, Maryland faced off against Missouri State. The game was hard-fought, with both teams putting in a strong performance.

Maryland took the lead early in the first half, with a goal scored by Mary Erwin. The Terrapins continued to dominate the game, scoring two more goals in the second half.

Missouri State tried to mount a comeback, but Maryland’s defense held strong, and they were able to secure their fourth win in the last five years.

The victory not only brought Maryland their third NCAA Women’s College Cup title, but it also marked their 11th straight season of winning at least one tournament. This achievement solidifies their status as one of the top collegiate soccer programs in the country.

The Maryland Terrapins have been a force in collegiate soccer for many years. They have won multiple conference championships and have a strong tradition of success.

The NCAA Women’s College Cup is the premier tournament for Division I women’s soccer teams. It is held annually, with the winner being crowned the national champion.

Maryland’s success in this tournament highlights their dominance in collegiate soccer, and it serves as a testament to the hard work and dedication of the team. They have shown that they are capable of winning at the highest level, and their victory in the 2016 NCAA Women’s College Cup is a testament to their talent and skill.

In conclusion, the 2016 NCAA Women’s College Cup was a thrilling and hard-fought match. Maryland emerged victorious, and their victory solidifies their status as one of the top collegiate soccer programs in the country.

The Maryland Terrapins, with their fourth win in the last five years, have demonstrated their strength and dominance, and they are a team to be reckoned with in collegiate soccer.
