Dear Shropshire Member

Welcome to the Shropshire Centre in our 53rd year. We hope to see you on the rally field during the coming months. Our rally programme has been carefully planned and we try to find venues close to places of interest and tie this into local events where available.

Rallies are very family friendly and a very safe environment, ideal for children of all ages. They are a great way to maintain health and wellbeing away from the inevitable screens and helps with developing and maintaining social skills. Rally fields are often open spaces where your children can run about and play safely, get plenty of fresh air and burn off some energy.

For the adults, rallies are a great way to wind down after the hustle and bustle of the week, unwinding and recharging your batteries. You can enjoy some well-earned social time and make new friends, or if you prefer just do your own thing.

We also try and organise longer rallies during the holidays—at Easter, over the bank holidays and during the summer. It's a very economical way to get away using your caravan and visit somewhere new. You can enjoy an inexpensive way of seeing beautiful parts of Shropshire and other parts of the UK with like-minded people.

Please find attached a list of all our rallies for 2020. You can find more up-to-date details on our website www.shropshirecentre.co.uk or why not follow our Facebook page for regular updates? You can find us by searching for our group which is called Shropshire Centre Caravan & Motorhome Club.

If you would like to attend a rally, please contact the relevant rally marshal listed next to the rally.

We look forward to meeting you soon.

Kind regards

The Shropshire Centre Committee
