Dear colleagues and friends,

Building on the tradition of the biennial Interventional MRI Symposium and the last meeting in Boston in 2018, we would like to cordially invite you to the series’ 13th edition, iMRI 2020, to be held in Leipzig, Germany. This event is jointly organized by the Department of Diagnostic and Interventional Radiology at Leipzig University Hospital, the Department of Radiology at Brigham and Women’s Hospital, Harvard Medical School, in Boston, and the Department of Radiology and Radiological Science at Johns Hopkins University in Baltimore – in close cooperation with Hannover Medical School, University of Magdeburg and Emory Healthcare, Atlanta.

The iMRI Symposium provides an ideal platform for researchers, clinicians and healthcare professionals alike to present their latest results and interact with opinion leaders and innovators in the field. Sessions with both technical and clinical topics will be composed of lectures by invited speakers and proffered scientific papers. We therefore encourage everybody involved in or dedicated to Interventional MRI to submit a short abstract of their work. The meeting is endorsed by the ISMRM (International Society for Magnetic Resonance in Medicine) and the ESMRMB (European Society for Magnetic Resonance in Medicine and Biology) and supported by the Ferenc Jolesz National Center for Image Guided Therapy (NCIGT) at Harvard Medical School.

We are looking forward to seeing you in Leipzig!

Main Lectures
Lectures on selected scientific topics will be given by invited speakers.

Oral Presentations
Proffered papers will be formally presented in topical oral sessions. Your total time will be restricted to 10 minutes with 8 minutes for speaking and 2 more minutes for a short discussion. We kindly ask all speakers to strictly respect this time limit. Please prepare your presentation in PPT(X) format, copy it to either a USB medium or CD-ROM and hand it in to one of our technical staff members in the speaker ready room at least one hour before the start of your session.

Poster Presentations
Posters will be exhibited throughout the meeting. A dedicated poster discussion session will be organized, and poster authors are requested to be present throughout that time and to be prepared for questions and discussions.

Video Presentations
For the first time, recorded video cases will be presented with live commentary. Cases may illustrate a particular setup, indication, procedure, workflow or result. Your total time will be restricted to 6 minutes for speaking and 2 more minutes for a short discussion. Please prepare your digital presentation in a standard movie file format (AVI, MOV, MPG, MP4) and check proper play-back with one of our technical staff members in the speaker ready room at least one hour before the start of the session. Alternatively, presentations may run directly on your personal mobile computer after being connected at the speaker’s desk.

Poster Award
Three poster prizes will be awarded to appreciate the high level of the scientific exhibits.

Conference Language
All lectures and presentations will be in English.
Abstract Preparation
Abstracts shall be submitted electronically via a web-based management system (EasyChair, see below). Abstracts must be written in English and are restricted to one printed page. Please use 12-point font Times New Roman and line spacing 1.0. Abstracts shall be uploaded in PDF format with figures and tables embedded.

Header information with Title, Authors and Affiliations is mandatory for each abstract and also needs to be entered electronically.

Poster and oral presentation abstracts shall be organized into sections Purpose, Material and methods, Results, and Conclusion. Please do not forget to tick your preferred method of presentation (oral or poster) and enter up to five key words into the corresponding website field.

Video presentation abstracts shall be organized into sections Background, Discussion and Conclusion and entered directly under the header ‘Video Presentation’.

Social Event
Gondwanaland at Zoo Leipzig
Friday, October 9, 2020, 7.15 pm

Gondwanaland at Zoo Leipzig will appeal to all of your senses as you experience the tropical rainforests of Africa, Asia and South America. Gondwanaland is home to about 300 exotic animals and 17,000 tropical plants.

Enjoy a welcome cocktail before entering the impressive tropical complex. You will then have time to follow the jungle paths or treetop trail and drift along in a boat on the jungle river Gamanile before having dinner and drinks at Restaurant Patakan.

This event can be booked for a fee of € 60,— for registered iMRI participants and accompanying persons.

The entrance to this event is located at Pfaffendorfer Str. 29, 04105 Leipzig, about 150 m to the right from the main entrance of the zoo, and a 5-minute walk from the conference venue (The Westin Leipzig).
