

ROYAL DEVON AND EXETER STOMA CARE TEAM

We are your local Stoma care team, offering care in the acute hospital and community setting providing continued care that is responsive to your needs.

We are your first point of call for all stoma related issues:

- **Annual reviews**
- **Problem solving**
- **Hernia Support**
- **Routine and SOS appointments**
- **Product review and management of prescription changes.**

We are a self-referral service

We also offer emergency clinic appointments in the RD&E which are often the same or very next day.

Contact number **01392 402742** Email: rde-tr.stomacare@nhs.net

The department is open Monday to Friday, excluding bank holidays but we also offer twice monthly Saturday morning clinics to fit in with your lifestyle.

We can offer a home visiting service to newly discharged patients and for those who are housebound.

Clinics are held at:

- RD&E
- Exmouth Hospital
- Tiverton Hospital
- Seaton Hospital
- Honiton Hospital
- Budleigh Salterton HUB
