# PAVILION, LOUNGE & STRETCH TENT

PRODUCT OVERVIEW

**FLEXZELT**<sup>®</sup>

# ADVANTAGES

## UNIQUE DESIGN

The parabolic wooden structure, combined with a translucent membrane, creates light-filled and aesthetically pleasing spaces.

## COMFORTABLE INDOOR CLIMATE

Its ingenious design ensures a cool, comfortable temperature even in the summer heat.

## AVAILABLE YEAR-ROUND

Thanks to the sealable membrane and a heating system, the rooms can be used year-round.

## CARBON NEUTRALITY

Our products not only look good, but are also good for the environment.

3 PRODUCTS

# ENDLESS POSSIBILITIES

Our products are not just a starting point for a more sustainable future: we use high-quality materials and locally sourced wood to create weather-resistant spaces that promote well-being.

## DINING ROOM & BREAKFAST ROOM

Enjoy an idyllic breakfast or an elegant dinner al fresco—the 70-square-meter pavilion serves as a dining room with space for up to 60 guests.

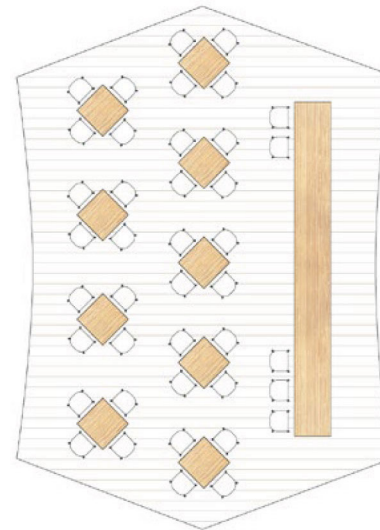

## CHILL-OUT AREA

A place where your guests can sit back, relax, and unwind. With its spacious, lounge-style design, the pavilion can accommodate up to 25 people.

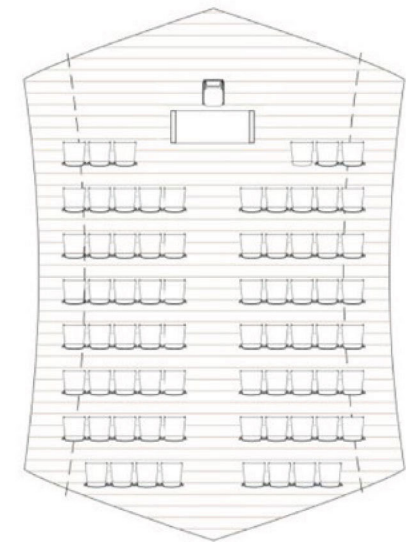

## BAR & TASTING ROOM

Want to serve a glass of red wine or your favorite cocktail outdoors, no matter the weather? As an outdoor bar, the pavilion creates an unforgettable atmosphere for up to 50 guests.

## SEMINARS & CONFERENCES

In the pavilion, you can host conferences and corporate events, offering your clients a light-filled, inviting space for up to approximately 70 people, surrounded by nature.
