To work out the fare for the journey you wish to take, simply find the destination you wish to travel from (in this case, Guilden Morden) and the destination you wish to travel to (in this case, Royston).

Adult single	Adult return	Child single	Child return
£1.40	£2.60	£1.00	£1.75
£2.50	£4.50	£1.65	£3.00
£3.30	£6.00	£2.20	£4.00
£3.80	£6.90	£2.55	£4.60
£5.00	£9.00	£3.30	£5.95

Follow the column from your origin down to the row of your destination, and where these meet will be the fare for your journey. In this case, it's £3.80. The box where the fare is shown has been highlighted red.

Use this table here to work out the return fare for your journey. For example, if a single fare was £2.50, the return fare would be £4.50. The single fare for the journey you wish to take can be worked out from the fare chart.
