

### WHY USE US?

- Local, trusted and reliable
- Minimise loss and damage
- Professionally trained officers
- Vetted and screened officers
- Full audit trail

As your Keyholder we provide a professional and rapid response to your premises when your alarm activates.

You or your staff need never lose sleep as our experienced response officers will attend on your behalf.

We carry out a full inspection and ensure your premises are safe and secure before resetting your alarm. Avantguard's response services remove risk from you and your staff.

## **KEY SECURITY**

Your Keys are allocated a Unique Reference Number so that only our personnel know the link between your keys and your premises.

- Keys kept at a secure location
- Key safes in vehicles
- GPRS tracked vehicles
- Full usage audit trail

In the event of a genuine incident at your premises, we can arrange the following support services to ensure that your premises remain secure:

- Boarding services
- Emergency glazing
- Emergency locksmiths
- Emergency plumber
- Temporary guarding

#### **OTHER MOBILE SERVICES**

Avantguard's response team can also provide the following additional services:

- Locking and unlocking premises
- Mobile security patrols
- Vacant property inspections
- Fire alarm tests
- Escorted entry for contractors, lone workers etc.
