Dear Tony,

We are writing to you to express our thanks to yourself and your colleagues at Avantguard for your recent donation last month of £500 as well as your fantastic donation of trousers and shirts.

People come to us, very often, because they have no other place to turn. Last year our community hubs, volunteers, keyworkers and outreach team helped over 900 people; providing food, warmth, showers, clean clothes, sleeping bags, medical support, counselling, housing advice and much, much more. To give you an idea of just how far your fundraising can go;

- £10** could provide essential food items to a person moving into temporary accommodation.
- £50** funds a half day of support through a community hub
- £75** could provide a whole week of emergency supplies for up to 7 people sleeping rough.

We are really reliant on public support for the continuation of these services, which provide life-saving care to people who are homeless and having to sleep rough.

Thank you for your repeatedly generous donations and please know that the funds raised have had a direct, positive impact on the lives of local people.
