

NURSING & REHAB **AT HOME**

When we walk into a **home**,
We walk into a **life**.

Your Home

Owned by a local clinician, Nursing & Rehab At Home's excellent, experienced staff provides homebound patients with medically necessary intermittent home health care. Our team works with your doctor to provide the care that you need and deserve in your home or residential care facility.

Your Health

In coordination with your doctor, we create a home health care plan specifically designed with your needs in mind. Our goal is to improve your quality of life so that you can reach the highest level of independence and safely remain at home.

Insurance Coverage and Payment Options

- 100% paid by Medicare for patients eligible for the Home Health benefit.
- We will work closely with your insurance provider throughout your care.
