Laughter, laughter
Baby that's life
Even without any reason
It feels great

Choir: Hohoho hahaha hohoho ha
Hohoho hahaha hohoho ha

Laughing is life,
Laughing makes you strong
We are laughing for peace
Nobody has done it before

Choir: The Rythm goes hohoho hahaha , hahaha
The Rythm goes hohoho hahaha , hahaha
Very good, very good, very good, YEAH
Very good, very good, very good, YEAH

A doctor called Madan
Started laughing at Mumbai,
Spread around the globe
Called Laughter Yoga

Your heart beats fast
Your eyes are shining bright
A smile lights up
To enlighten the world

Choir: The Rythm goes hohoho hahaha , hahaha
The Rythm goes hohoho hahaha , hahaha
Very good, very good, very good, YEAH
Very good, very good, very good, YEAH

If the world is grey
You are feeling down
Come on baby let us laugh
A change will come

Choir: The Rythm goes hohoho hahaha , hahaha
The Rythm goes hohoho hahaha , hahaha
Very good, very good, very good, YEAH
Very good, very good, very good, YEAH
