

Membership Application

One of our most important tasks is to improve the living conditions of children, young people and families in extreme poverty in Arequipa. Among other things, this includes making it possible for young people to get an education, including higher education, for whom the house Hogar de Cristo in Arequipa is a permanent contact point. We also ensure access to preventive health measures. Additionally, we support several projects with changing content in various areas, as in culture, dance, health and environment.

The association pursues exclusively and directly charitable purposes within the parameters of the "tax-privileged purposes" section of the tax ordinance. It is a support association i.S. of § 58 No. 1. AO, which uses its funds exclusively to promote the corporation "Freundeskreis Arequipa" under private law.

There are no membership fees. Donations are voluntary.

I hereby declare that I would like to become a member of the Freundeskreis Arequipa e.V. Association.
