

XPENG

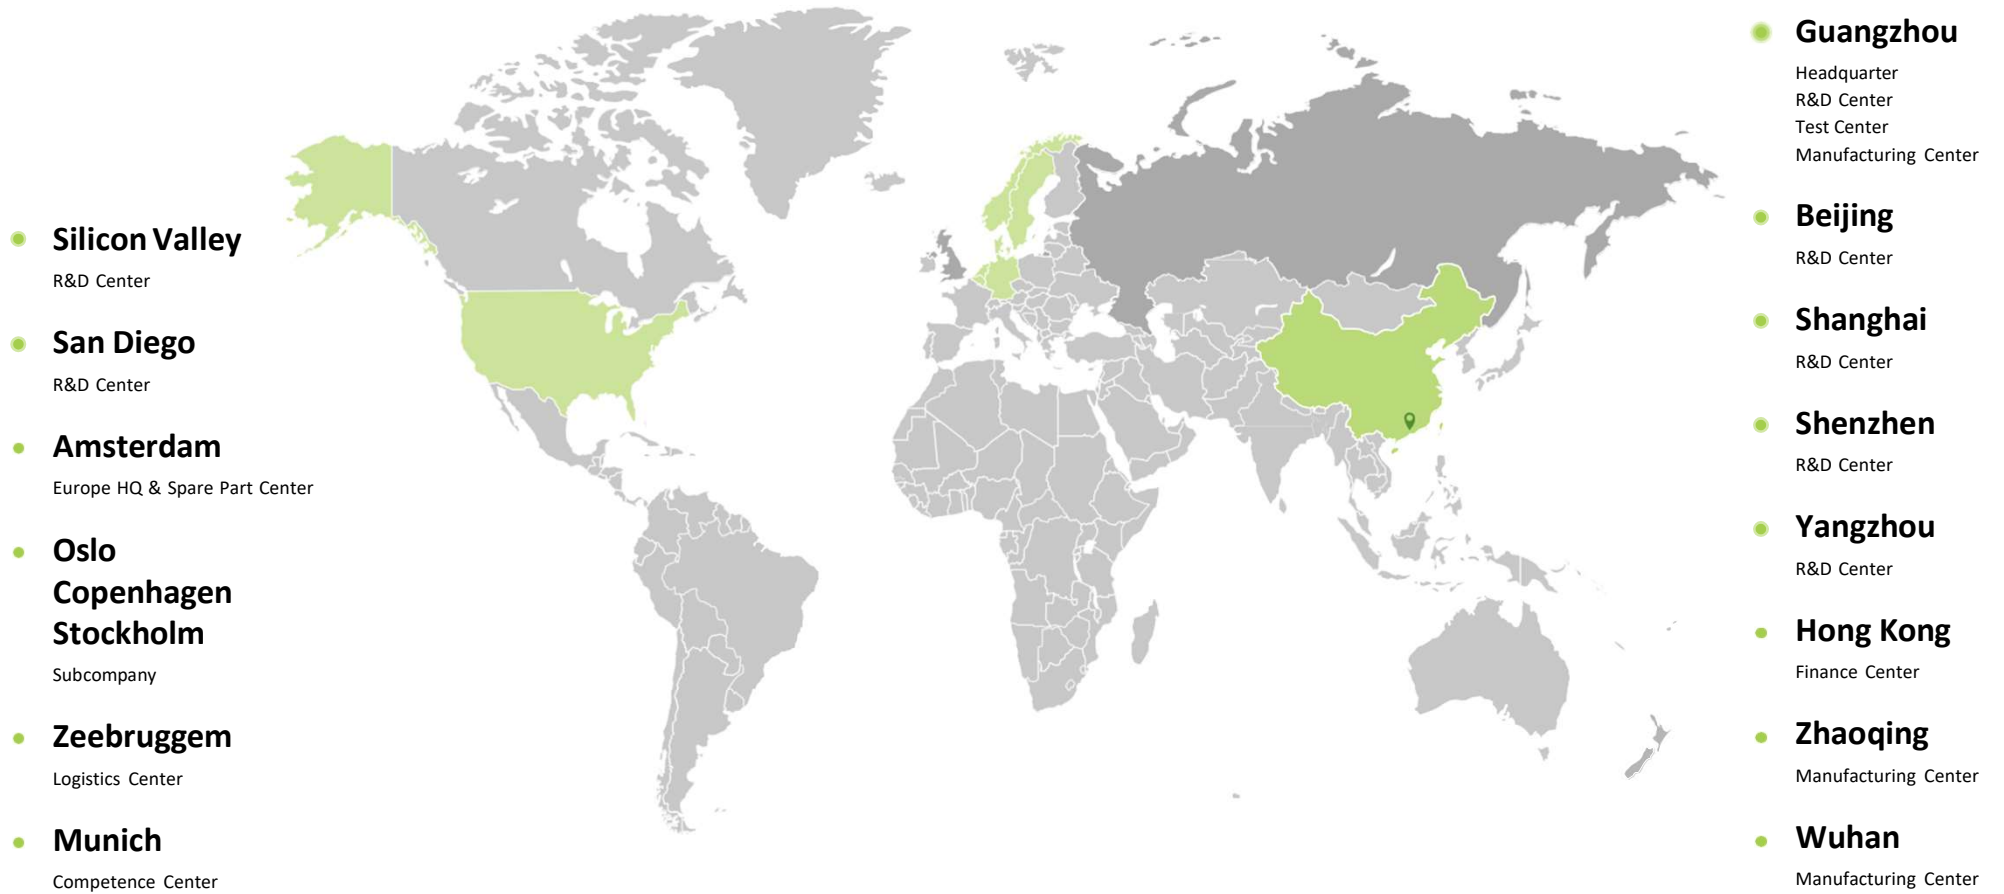

Your everyday explorer

We were founded in 2014 by a group of entrepreneurs with a shared **vision to transform future mobility with technology.**

Our belief is simple: **technology will be the game changer for future mobility.** That's the cornerstone of our foundation.

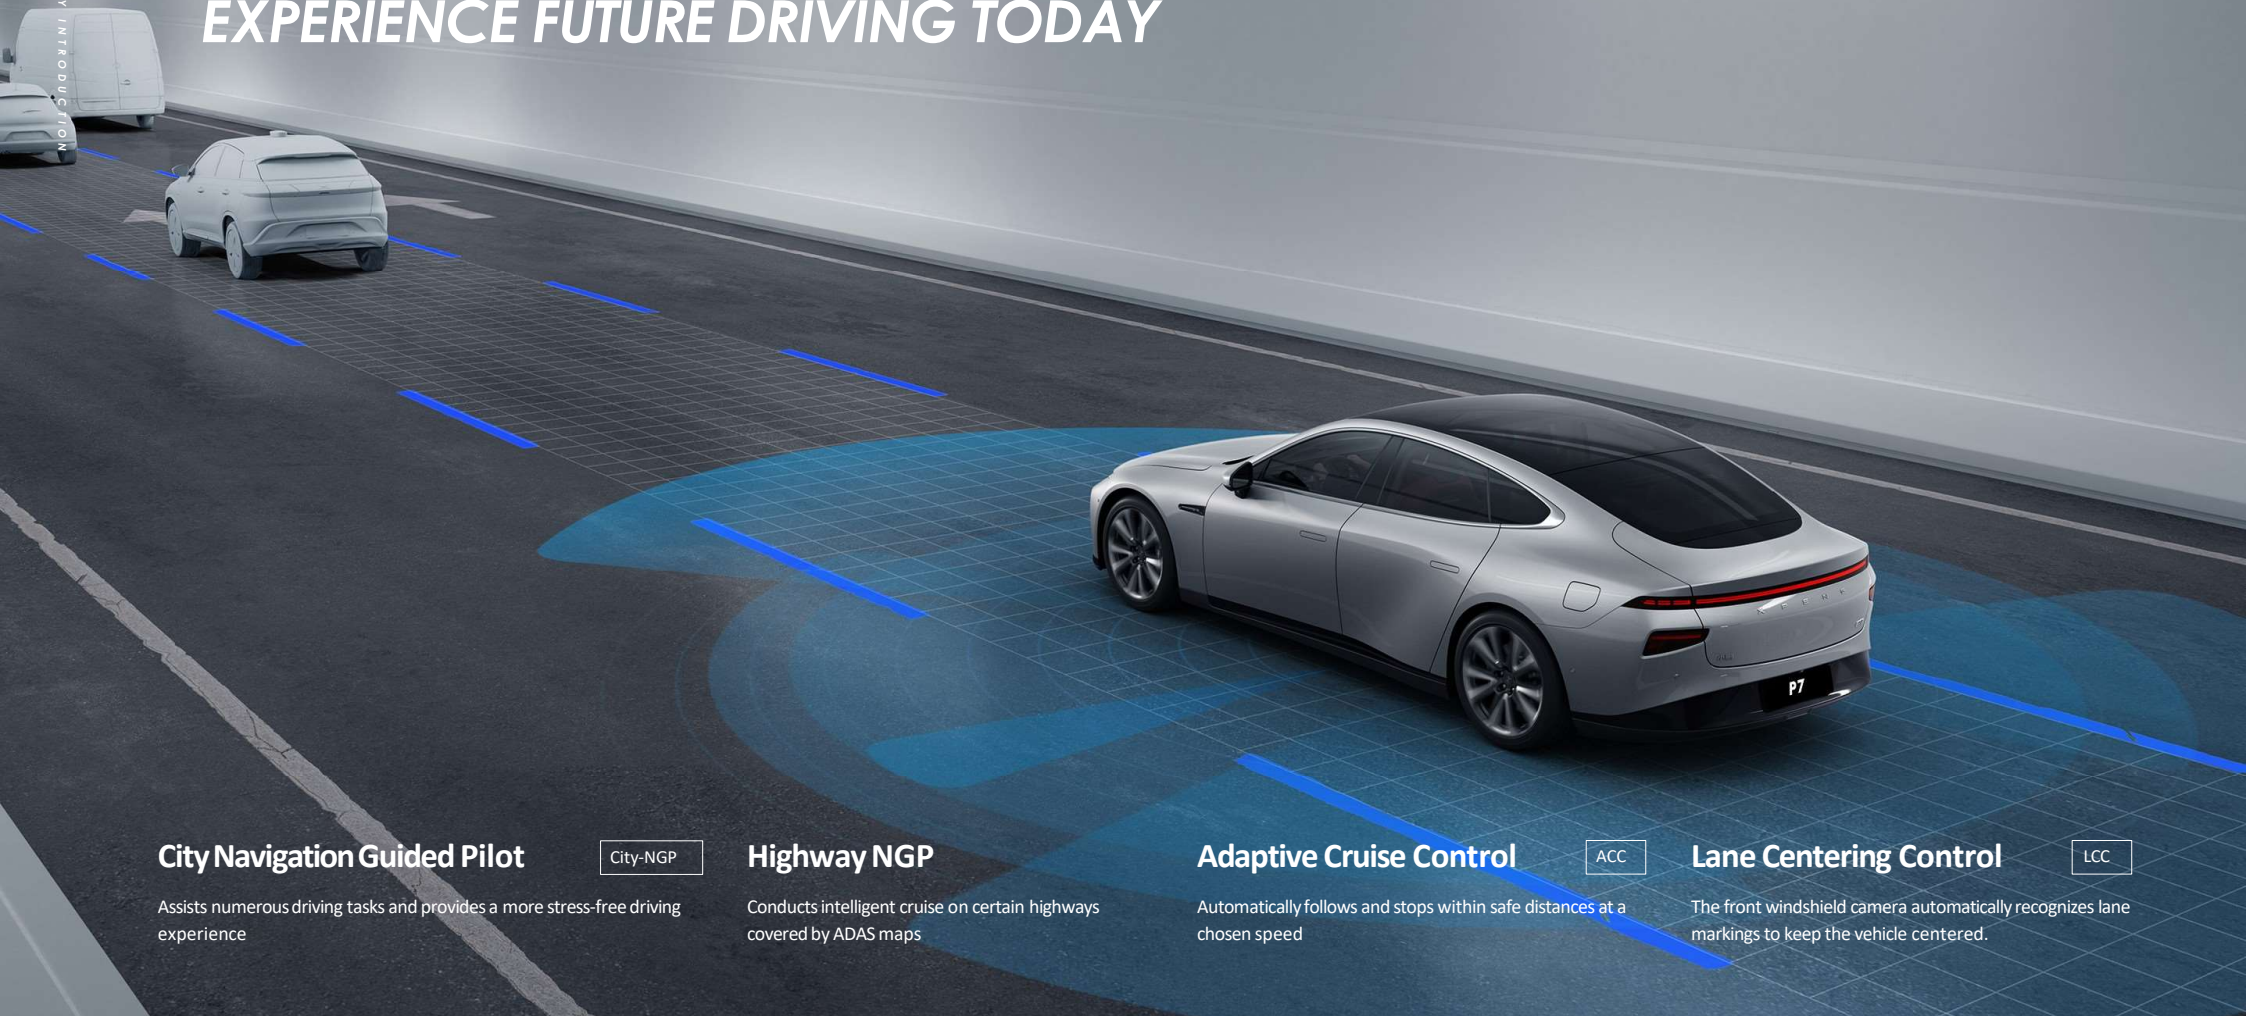

GLOBAL FOOTPRINT

XPILOT DRIVING

EXPERIENCE FUTURE DRIVING TODAY

City Navigation Guided Pilot

City-NGP

Assists numerous driving tasks and provides a more stress-free driving experience

Highway NGP

Conducts intelligent cruise on certain highways covered by ADAS maps

Adaptive Cruise Control

ACC

Automatically follows and stops within safe distances at a chosen speed

Lane Centering Control

LCC

The front windshield camera automatically recognizes lane markings to keep the vehicle centered.

X Xmart OS

INTELLIGENT IN-CAR OPERATING SYSTEM

All-scenario Intelligent Voice Assistant

Our in-car voice assistant listens to your requests, providing a hands-free experience that keeps you focused on the road ahead.

Smart Cabin Space

Your XPENG is an entertainment hub that delivers a variety of features to enhance your in-car experience.

Smart Ecosystem

Xmart OS creates an ecosystem based on Intelligent Connected Vehicle (ICV) functions and entertainment features for a cockpit that adapts to you.
