

2024 AWARDS FOR PROFESSIONAL AND PERSONAL ACHIEVEMENT

Outstanding Clinical Laboratorian of the Year

This award recognizes professional excellence and dedication of a Medical Laboratory Scientist or Medical Laboratory Technician.

To be eligible for this award one must:

- a. Have been an active member of the American Society for Clinical Laboratory Science in good standing for three years.
- b. Have a bachelor or associate degree from an accredited college or university.
- c. Have contributed to the profession of clinical laboratory science in an outstanding manner.
- d. Be an active participant in community and professional affairs.

Nomination Procedure:

- An MLS or MLT may be nominated by any professional peer who is an active member of ASCLS.
- Provide the following information:
 1. Name and address of nominee
 2. Name and address of employer
 3. Brief discussion of the accomplishments and attributes for which the nominee should be recognized.

Outstanding Student of the Year

This award was established in recognition of student medical laboratory scientists and technicians who have demonstrated an outstanding dedication to the profession and to encourage them to participate in the activities of the society.

To be eligible for this award one must:

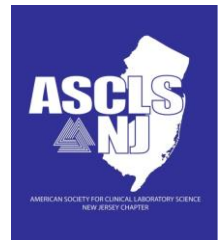

- a. Be a student member of ASCLS and enrolled in a NAACLS accredited academic program to become a Medical Laboratory Scientist or Medical Laboratory Technician.
- b. Be nominated by a Program Director or faculty member who is an active member of ASCLS.

Nomination Procedure:

- Provide the following information:
 1. Name and address of the student
 2. Name and address of the Program
 3. Name of the Program Director or faculty member submitting the nomination
 4. Anticipated date of graduation
 5. Anticipated date of BOC exam
 6. Resume of the student's professional experience, academic achievement, awards, skills, research work, professional service, and other achievements.
