

To My Holy Trinity Family:

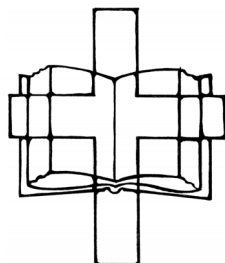

This week we celebrate Catholic Schools Week. We are blessed to have a wonderful Catholic School here at Holy Trinity. Our school is a special place. Last year we placed second in the Academic Decathlon Super Quiz for the Archdiocese of Los Angeles. But even more importantly, we are forming the students to become disciples of Jesus Christ. All are invited to stop by this Sunday to our annual school open house. Come and see what exciting things are happening at Holy Trinity School.

This Tuesday at 1:30pm is the annual Grandparents Day Mass. The students of our school invite their grandparents to come with them to mass. If you are a grandparent and are able to attend the mass, please know that you are welcome to join us. Being a grandparent is truly a gift from God. All of my grandparents have died and I truly miss them each and every day. If you are blessed enough to be a grandparent, may Jesus bless you in this special vocation.

If you were a member of our Called to Renew Capital Campaign Team, we will have a team appreciation dinner on Monday February 24th @6:30pm. It will take place at Holy Trinity School. Because of the size of our team, this dinner is for the team members only. If you wish to attend please RSVP with Sylvia in the rectory Monday-Thursday. Sylvia works from 8:30am-1:30pm. Please RSVP by Thursday February 13th. I hope to see you there. Thank you for all of the hard work that you did for our parish.

Our parish was recently gifted from the Called to Renew Campaign with money to do some much needed work to the house on Brunswick Avenue. This money was allocated to us from the Called to Renew Campaign from the Archdiocese, not the money collected at the parish level. We will be starting some work on the Brunswick house soon. This was a total surprise to me and I am grateful to the Archdiocese for giving us this gift. We will do our first parish project with the money that we have raised here at Holy Trinity the week after Easter as we do work to our parking lot. God has truly blessed us!

DID YOU KNOW?

Sports are a great way for children to burn off energy, learn about teamwork, and stay active and healthy. But some sports come with risks, including head injuries. Football is an especially high-risk sport for these types of injuries, given the nature of the game. If your child wants to play contact sports, make sure he or she does so safely. Provide proper safety equipment that fits. Check helmets and protective gear periodically to ensure that all are still working. Talk to coaches and referees about regular safety checks for fields and team equipment as well.
