

Dear Holy Trinity Family,

Thank you all for the wonderful greetings and well wishes during my first weekend at Holy Trinity. It was great greeting you all after Mass. I hope to see you every Sunday. This is your spiritual home. If you are not in town, there is a Catholic Church practically everywhere. Here is a website that I have found helpful before I was ordained when looking for a Mass when on vacation. <https://masstimes.org/> Go to Mass and we will see each other in the Eucharist.

Last week, we had a beautiful Living Rosary with hundreds of people present as we journeyed with our Lord and asked the intercession of our Blessed Mother. Thank you to Lourdes Tupas for organizing the event and for all those that participated as beads and leading us in prayer. Special thanks to our youth from Holy Trinity Catholic School, Religious Education and Confirmation. To our young people, you are part of the Church and we need you. Keep staying involved and be an example to your family and peers about how to live out your faith.

Rosary challenge. I invite our families to pray the rosary together at least once a week on a regular basis. If you are already doing that, maybe aim for a 9 day novena. If you are already doing that, do it every day. Take a photo of you and your family praying the rosary and post it on Facebook or Instagram and TAG @holylrinityla . Be a witness of prayer and invite your family and friends to join you.

All are invited to come out and support our 5th annual **Priests vs. Seminarians Basketball Game** on Friday, October 13th at Cathedral High School. Go to www.lavocations.org/basketball-game for more info and tickets.

Finally, I invite you to join me in welcoming Seminarian David Tellez to our parish. He is currently studying at St. John's Seminary, Camarillo, but will be coming by the parish once a month on his weekend home and will also help us out during his Christmas and Easter break. Let's pray for him and more vocations to the priesthood and consecrated life.

May we find ourselves always under the protective mantle of our Blessed Mother. Our Lady of the Rosary, pray for us.

In Christ,
Fr. Mike

Welcome Seminarian David Tellez

David Tellez is currently a Theology 1 Seminarian studying at St. John's Seminary, Camarillo. He was born and raised in Mexico City. His previous career was working as a Philosophy Professor at a local university. Through prayer and discernment, he responded to the invitation of our Lord to be a priest and found himself moving to Los Angeles and studying for our local church. He is bilingual, Spanish and English, and enjoys reading and walking.

DID YOU KNOW?

Talking with your children

It is good practice for parents to have ongoing conversations with their children about family values, safety, and “what if” scenarios. Talking with your children before something happens gives them the tools and confidence to make safe, good decisions, and to react appropriately in a variety of situations. Even if these conversations feel huge or overwhelming, they are critical to have. Start small – perhaps in the car on the way to school or a game – and build on previous conversations to give your child a full picture of what to do and how to handle tricky situations. For more information, read the VIRTUS® article “Talking With Your Kids” at lacatholics.org/did-you-know.

Platicar con tus hijos

Es una buena práctica que los padres de familia tengan conversaciones con sus hijos sobre los valores familiares, la seguridad y de escenarios que pudieran presentarse en distintas situaciones. Hablar con sus hijos antes de que algo suceda les da las herramientas y la confianza para tomar buenas decisiones, seguras y para reaccionar adecuadamente en cualquier situación. Aun cuando estas conversaciones parezcan largas y abrumadoras, es fundamental mantenerlas. Empiece poco a poco, tal vez en el automóvil camino a la escuela o a un partido de algún deporte, y aproveche las conversaciones anteriores para darle a su hijo una idea completa de qué hacer y cómo manejar situaciones difíciles. Para obtener más información, lea el artículo en inglés de VIRTUS® “Talking With Your Kids” (Hablando con sus hijos) en lacatholics.org/

HOLY TRINITY SCHOOL

Are you happy with your child’s school experience? Consider sending your child to our parish school – where the values taught in the classroom reflect the values of your home. Small class sizes with under 20 students makes it

possible for us to create a personalized experience for your child to help them excel. Did you know that the Catholic Education Foundation of Los Angeles has received a \$50 million gift to provide financial support to new students enrolling in an Archdiocesan school for fall. Catholic education is affordable and tuition assistance is available! If you would like to arrange a tour of our parish school or get additional information on enrollment and financial assistance, please call us at (323) 663 -2064 or email our principal at klloyd@holyltrinity-la.com Give your child the gift of a Catholic education this fall!

HOLY TRINITY SCHOOL STUDENT NON-DISCRIMINATION POLICY

Holy Trinity School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic, and physical abilities and the resources.
