

HOLY TRINITY LOS ANGELES

To My Holy Trinity Family:

This weekend we will have our second collection to launch our 2020 Together in Mission Campaign. This year our parish mandatory goal is \$32,454.00. If you have received your envelope in the mail, you can either mail it in or turn in to the rectory. We are so blessed here at Holy Trinity. I thank you once again for your generosity in helping the poorest parishes in the Archdiocese of Los Angeles. May God reward you all!

I would like to thank all of our wonderful volunteers that have worked so hard to make our Valentine's Dinner Dance possible. I know that it will be a wonderful time once again. Our parish fiesta is on Sunday May 31st, so mark your calendars and join us for this great parish event.

Lent is right around the corner. Ash Wednesday this year is on February 26th. We will have five masses that day for your convenience. We will have mass at 6:30, 8:00am, 12:00pm, 5:00pm, and 7:00pm. The students of Holy Trinity School will be at the 12:00pm mass. Please remember that on Wednesday morning parking is limited on one side of Boyce Avenue because of Street Sweeping. If you can and are able, I encourage you to walk to mass. Ash Wednesday is by far one of the busiest days of the year in the Church. We hope to see you there.

Our office will be closed this Monday February 17th as we celebrate Presidents' Day. This weekend is a reminder that we are called to pray for our president and for all government leaders. We are all guilty of complaining about politicians, but how about praying for them instead? We will only have one mass at 8:00am. The Church will be locked after the 8:00am mass. May God bless the United States of America!

Next weekend many of our catechists will be in Anaheim at the annual Religious Congress. A special thank you to all the catechists that volunteer for our

In Christ,

DID YOU KNOW?

Sports are a great way for children to burn off energy, learn about teamwork, and stay active and healthy. But some sports come with risks, including head injuries. Football is an especially high-risk sport for these types of injuries, given the nature of the game. If your child wants to play contact sports, make sure he or she does so safely. Provide proper safety equipment that fits. Check helmets and protective gear periodically to ensure that all are still working. Talk to coaches and referees about regular safety checks for fields and team equipment as well.
