

HOLY TRINITY LOS ANGELES

To My Holy Trinity Family:

This Sunday is a big day for us Americans as we celebrate Super Bowl Sunday. Millions of Americans, whether we watch football or not, will watch the game and the commercials together. Fr Mike will be rooting for his beloved San Francisco 49ers. Pizza and wings will be eaten. As important as this game is to our nation there is something that we celebrate every Sunday that is far greater. Jesus is risen from the dead! Christ is alive as he promised. Thank you for being here this weekend and showing your love and commitment to your faith.

This weekend is Together in Mission announcement weekend. Our parish has always made our goal and I know we will once again. You all are so generous in helping those in need.

This year our parish goal is \$32,454.00. If you have given to Together in Mission in the past, I thank you for your generosity. So many parishes and school would have to close in the Archdiocese of Los Angeles without this wonderful program. Last year we received a refund and put that refund in our general fund to help pay the bills and keep us financially stable. I ask that every family pray this week on a sacrificial gift that they can make to the parishes and schools in need. We are so blessed here at Holy Trinity, let us share that generosity with others once again. I am so proud and honored to be your pastor. May God reward your generosity.

Today we celebrate the Feast of the Presentation of the Lord. Mary and Joseph brought their son Jesus to the temple. This beautiful celebration is a reminder that we are to offer our lives totally to God as well. I love seeing children being blessed by their parents and grandparents. Our lives are about serving Jesus and his people. How do you dedicate your life to Christ?

This Friday is the annual priests vs seminarians basketball game at Chaminade Middle School sponsored by the Office for Vocations. Keep Fr week as he plans to Go 49ers!

DID YOU KNOW?

Sports are a great way for children to burn off energy, learn about teamwork, and stay active and healthy. But some sports come with risks, including head injuries. Football is an especially high-risk sport for these types of injuries, given the nature of the game. If your child wants to play contact sports, make sure he or she does so safely. Provide proper safety equipment that fits. Check helmets and protective gear periodically to ensure that all are still working. Talk to coaches and referees about regular safety checks for fields and team equipment as well. For more information about "Sports and Head Injuries," visit <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.
