

Dear Holy Trinity Family,

Today is the 4th Sunday of Lent otherwise known as Laetare Sunday or "Joyful" Sunday. Like Gaudete Sunday in Advent, we have reached the halfway point of Lent so we celebrate a little bit. There is hope and joy knowing that we are approaching the end of this season and ultimately we will celebrate the Resurrection on Easter Sunday. The liturgical color is rose to break from the Lenten violet we have been seeing these last 3 weeks.

Have you ever looked at the bottom of an In & Out drink cup? On the bottom is the Scriptural citation: John 3:16 which states, "For God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life." I think it is beautiful that this company, whose owners recognize the power of Christ that has changed their lives, want us always to remember that God is at work in our lives. In our Gospel this week, we hear this passage being said as Jesus speaks to Nicodemus. Jesus reminds Nicodemus that we all have choices in life- to believe in Jesus or not, to live in the light or the darkness. If we are to be truly free and experience joy, that only comes to us when we live in the light which is Jesus Christ himself. When we choose to believe in him, it helps us make sense of our entire life by seeing it from the perspective of God. It also helps us see life not just in the present moment, but throughout all of time and eternity. Jesus speaks of God giving his only Son because Jesus knows that the end result is not death and the end, but eternal life. He sees beyond the moment and the present and knows exactly what he now must do to be glorified and to sanctify us. What must you do during this season of Lent to experience that glory of God? What things can you sacrifice knowing that in doing so it will make you a holier person in the long run? Remember our life is not a sprint, but a marathon and if we work hard at following Jesus, "finish well, completed the race and keep the faith" we will attain eternal life. The choice is yours.

Please pray for our Elect- Deanna and Alexander- and our Candidate - Alicia- as they continue to prepare to receive the Sacraments this Easter. They will be fully welcomed into the Body of Christ and become our brethren in the Lord. May the Lord bless them and all of us in our journey of faith.

Mother most chaste, pray for us.

-Fr. Mike

**DID YOU KNOW?**

**Why are children with disabilities at risk?**

Children with disabilities are at higher risk for maltreatment and abuse. In many cases, this is because these children may be more vulnerable to grooming or exploitation by a perpetrator, need extra attention and care, which can lead to caregiver burnout and frustration, isolation from community, and financial strain. To learn more, read the VIRTUS® article "Children Living with Disabilities and Risk for Child Maltreatment and Victimization" at [lacatholics.org/did-you-know/](http://lacatholics.org/did-you-know/).

**¿Por qué los niños con discapacidad están en riesgo?**

Los niños con discapacidad corren un mayor riesgo de sufrir malos tratos y abusos. En muchos casos, esto se debe a que estos niños pueden ser más vulnerables al acoso o a la explotación por parte de un perpetrador, y necesitan atención y cuidados adicionales, lo que puede llevar al agotamiento y a la frustración de los cuidadores, al aislamiento de la comunidad y a las tensiones financieras.
