**DID YOU KNOW?**

The Archdiocese works to prevent abuse through our Safeguard the Children Programs on prevention and reporting, fingerprinting and background checks, and clergy formation programs. For National Child Abuse Prevention Month, the Office of Safeguard the Children has created the 2019 Child Abuse Prevention Resource Packet. The packet includes pinwheel stickers, decorations and children's activities as well as informative articles to help parents and other caring adults learn about how to protect our children and youth. This campaign provides another opportunity to transform awareness into action as we affirm every child's right for a life filled with hope, health and happiness.
