

To My Holy Trinity Family:

Merry Christmas! We conclude the Christmas Season with the Baptism of the Lord. We return to Ordinary Time on Monday. Easter is later this year, April 17th, which means Ash Wednesday is not until March 2nd. So we have a long period of Ordinary Time. But let me first extend Christmas Blessings to you one final time.

Our Simbang Gabi 2021 was a huge success once again. This year between our Morning and Evening Celebration we raised, \$34,397.00! Fantastic job to all of our coordinators and sponsors. This money gets deposited into our General Operating Fund and helps us maintain Financial Stability. God Bless you all for your generosity.

We have two funerals this week at Holy Trinity, one on Wednesday and one on Thursday. Please keep these families in your prayers as they prepare to bury their beloved dead. May all of our dead have the reward of eternal life in Heaven.

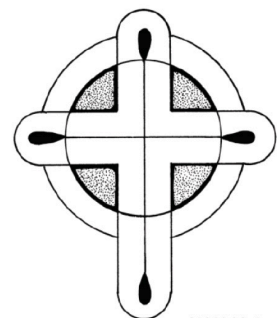

Our Novena to the Santo Nino will run through Friday January 14th. On the final mass on 1/14 @ 5:00pm, all are invited to bring images of the Santo Nino for a blessing. Please join us in prayer and devotion.

Our Confirmation students and their Sponsors will be at the noon mass this weekend. They are journeying towards the Sacrament of Confirmation this Spring and our prayers are with them all.

Holy Trinity School has returned. High School Confirmation and Religious Education classes are back as well. Please pray for the continued Health and Safety of all of our young people in their faith formation.

So the time has come to put the Christmas Decorations away. Jesus is always with us however, every step of the way. Thank you once again to all who made this season so wonderful at Holy Trinity. God Bless your hard work.

Merry Christmas,
Fr. Ricardo

DID YOU KNOW?

Parents have a responsibility to report concerns they have about another person's behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants.
