

### To My Holy Trinity Family:

Pope Francis recently said something that I think we all needed to be reminded of once again. “There is the discarding of children that we do not want to welcome with the law of abortion that sends them to the dispatcher and kills them directly. And today this has become a ‘normal method’, a practice that is very ugly. It is really murder.” His comments were taken at a live streamed address to the members of the Pontifical Academy for Life. He went on to say, “ Is it right to eliminate, to take a human life to solve a problem? Is it right to hire a hitman to solve a problem? That is what abortion is.”

My friends, we need to recommit ourselves to protecting the unborn. Life begins at the moment of conception and ends at a natural death. The US Congress just passed the most anti life legislation in modern history. Sadly, many Catholic congressmen voted for this. Let us pray for our government leaders that they will have a conversion of heart. We do not know more than God. Do not be deceived. Absolute Truth does exist. We can’t justify sin to make ourselves feel better. Life is truly a gift from God from conception to a natural death.

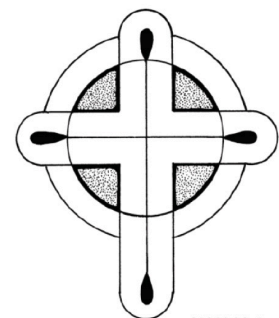

Today we have our Annual Living Rosary. A special thank you to all of our coordinators for all of their hard work. October is the month of Our Lady of the Rosary. Let us strive to pray the Rosary daily in our homes with our family members. Our Lady of the Rosary pray for us!

I will be gone from 10/7-10/13. I will be taking some vacation time. Next weekend Fr. Paolo Garcia will be with us for three masses. Fr. Paolo is no stranger to us at Holy Trinity. He is a wonderful priest and gifted homilist. Please join me in welcoming Fr. Paolo back to Holy Trinity next weekend.

Please join us on Monday October 4th for the annual Blessing of the Animals. This will take place in the parking lot. God Bless!

Go Dodgers,

**Fr. Ricardo**

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. **ST. JOSEPH'S WEEKLY WORKSHOP**

Tools to grow spiritually in the Year of St. Joseph (Dec 8, 2020 – Dec 8, 2021)

St. Joseph – An example of Humility

Take some time to reflect on Joseph's humble role in the Bible. From The Nativity, The Presentation, Flight Egypt, to the Finding in the Temple he quietly performed the will of God.

God hath overturned the thrones of the proud princes and has set up the meek in their stead. God has made the roots of the proud nations to wither and has planted the humble of these nations ... God has abolished the memory of the proud and hath preserved the memory of them that are humble in mind.

Ecclesiasticus 10:17,18,21

The prayer of him that humbleth himself shall pierce the clouds.

Ecclesiasticus 35:21
