**DID YOU KNOW?**

Safety tips for kids playing sports this school year. Sports seasons start early, even for young children, and while it's great that they're out getting exercise and learning new skills, safety is still a top priority. It's recommended that all children who are playing school sports have an annual physical, and relevant health information (allergies, conditions, etc.) should be shared with coaches. Parents should make sure their children have the right gear, and that it fits and works well. Children should stay well-hydrated, well-fed, and well-rested to keep up their energy and strength. Student athletes should be learning to be kind and fair, too, no matter the outcome of the game.

**HOLY TRINITY SCHOOL**

Are you happy with your child's school experience? Consider sending your child to our parish school – where the values taught in the classroom reflect the values of your home. Small class sizes with under 20 students makes it possible for us to create a personalized experience for your child to help them excel. Did you know that the Catholic Education Foundation of Los Angeles has received a \$50 million gift to provide financial support to new students enrolling in an Archdiocesan school for fall. Catholic education is affordable and tuition assistance is available! If you would like to arrange a tour of our parish school or get additional information on enrollment and financial assistance, please call us at (323) 663 -2064 or email our principal at [klloyd@holytrinity-la.com](mailto:klloyd@holytrinity-la.com) Give your child the gift of a Catholic education this fall!

**HOLY TRINITY SCHOOL STUDENT NON-DISCRIMINATION POLICY**

Holy Trinity School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.
