DID YOU KNOW?

Be a Trusted Resource if a Child Discloses Abuse. Parents are in a unique position to know about not only their own children, but their children's friends. If you are a trusted parent, your child's friend may come to you with secrets. What do you do if a child tells you about abuse? As an adult, it's critical that you remain calm, and don't overreact. Child victims are often frightened and confused, and your confusion and anger does not help their situation. Your concern and support, however, will affirm the child in important ways and can help begin the healing process for a child victim who has suffered at the hands of a predator. To learn more about steps to take if a child tells you about abuse, email jvienna@la-archdiocese.org.

Did you know that the Catholic Education Foundation of Los Angeles has received a \$50 million gift to provide financial support to new students enrolling in an Archdiocesan school for fall. Catholic education is affordable and tuition assistance is available! HOLY TRINITY SCHOOL STUDENT NON-DISCRIMINATION POLICY

Holy Trinity School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources.
