

### To My Holy Trinity Family:

This Thursday November 11th we celebrate Veteran's Day. I applaud and thank all of the Veteran's for their service to our country. May God Bless you abundantly for the good that you do.

Our office will be closed on Thursday November 11th. We will only have one mass at 8:00am. The Church and parking lot will be locked for the day after the 8:00am mass. We will reopen on Friday November 12th with our normal office hours.

Thanksgiving Day is right around the corner. This year it falls on Thursday November 25th. We will have two masses to celebrate this special day. We will have a mass the night before at 6:30pm on Wednesday November 24th. We will have one mass on Thanksgiving Day November 25th at 8:00am. At that mass all are invited to bring any food or beverage items that they will use at their Family Thanksgiving Meal. We have so much to be grateful for, I hope to see you there.

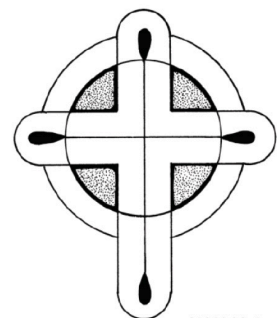

Our Advent Sock Drive will be returning this year. It will be led by our High School Confirmation Program this year. We will be collecting socks the weekend of December 5th and December 12th. The socks needed the most are for adult males. Thank You for helping those most in need.

We will not be doing a toy drive this year. We partner with the Cathedral and they will be taking gift cards only. Perhaps it will be back to "normal" next year. Little by little as life returns to normal.

Next Weekend a wonderful group by the name of Retroville will be with us. They are a wonderful Catholic Organization that helps married couples who are going through difficulties in their marriage. They will be speaking briefly during the announcements.

Next Sunday November 14th at the noon is the Family Mass with Religious Education. It will be great having them with us.

**DID YOU KNOW?**

Parents have a responsibility to report concerns they have about another person’s behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants. **ST. JOSEPH’S WEEKLY WORKSHOP**

Tools to grow spiritually in the Year of St. Joseph (Dec 8, 2020 – Dec 8, 2021)

**Saint Joseph - Light of Patriarchs**

In Joseph, the apparent tension between the active and the contemplative life finds an ideal harmony that is only possible for those who possess the perfection of charity.

**St. John Paul II**

Perfection of Charity! Well that’s a hard one, when we try to accomplish it on our own. Charity, a supernatural grace we only receive from God, it is poured out in Jesus’ blood at the Consecration during Mass. Pope John Paul II is telling us we can go to St. Joseph to help us understand and perfect this grace we are receiving at Mass. If you were asking for a reason to “Go to Joseph”, there it is.
