

To My Holy Trinity Family:

Super Bowl Sunday is here! Best of luck to the hometown team the Los Angeles Rams! The Super Bowl is a very American Tradition. I hope you are able to spend the afternoon with people that you love. Thanks for being here at mass this weekend. As disciples of Christ, going to mass on Sunday is the highlight of who we are as disciples.

Next Sunday is pledge weekend for Together in Mission 2022. Once again our parish goal is \$30,027.00. Our parish has always made our goal and I know once again we will make it together. I ask that every parish family pray on how God has blessed them and how they can answer the call to help those most in need. On behalf of the people of God that benefit from your generosity, THANK YOU!

The Stations of the Cross have returned to the Church, and they look fantastic. The artist who has done all of our statue renovations is David Rodriguez. He is a holy and humble man. He truly sees his work as a ministry. He took one of the archangels to fix the broken fingers. After Easter, we will renovate our final statue, St. Joseph.

Our Called to Renew Campaign is in its third year. Our parish goal was \$415,000.00. We pledged \$1,197,509. I am proud to say that in the first three years we have already collected \$484,410.29. Remember half of that money goes to the Archdiocese for their special ministries, such as Prison Ministry and Hospital Chaplains. Our half has gone to our various parish renovation projects. Money collected over our goal will be used for new renovation projects for our parish. We have been able to renovate the rectory backyard because of your generosity. As extra money comes in we will examine what the needs of the parish are.

Go Rams!

God Bless!

Fr. Ricardo

DID YOU KNOW?

Parents have a responsibility to report concerns they have about another person’s behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants.
