DID YOU KNOW?

Parents have a responsibility to report concerns they have about another person’s behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants. HOLY TRINITY SCHOOL

CATHOLIC SCHOOLS...DID YOU KNOW?

Studies show that Catholic schools are successful because of their time-tested, nurturing community. A RAND study included Catholic schools in a category called “Focus Schools.” These Focus Schools showed much greater success with students because of three important elements:

- Clear mission and distinct culture – not simply chance aggregations of individuals
- Special identity – which inspired a sense of loyalty and common commitment from staff, students, and parents
- Committed to the development of the whole student – communicating values and developing attitudes in addition to transmitting facts and imparting skills.

At Holy Trinity School our Catholic Identity is foundational to the work that we do forming Saints and Scholars. Give your children the gift of faith and give them the Catholic School Advantage! Apply now for the 2022 - 2023 school year at Holy Trinity School. Scholarships are available for parish families.
