

To My Holy Trinity Family:

We need to take fasting very seriously this Lenten Season. Our Holy Father Pope Francis has asked us all to fast for the people of Ukraine. What is going on in Ukraine is evil. We also need to pray for the conversion of President Putin, that God may touch his heart and that he will stop these grave acts of evil. May St. Michael protect the people of Ukraine from these acts of evil. Pray the Rosary Daily and surrender your lives to Jesus. Our Lady of Fatima, pray for us!

We also need to pray for President Biden and for all heads of state throughout the world. It is very easy for us to criticize our leaders, I am guilty of that myself. We also need to pray for them however. May the Holy Spirit give our world leaders the courage that they need to make holy, wise, and courageous decisions.

Times our tough for our working families. Inflation has caused the price of everything to go up. Many of you are struggling right now just to make it. Please know of my prayers for you and your loved ones. The priests are here for you and pray for you all daily.

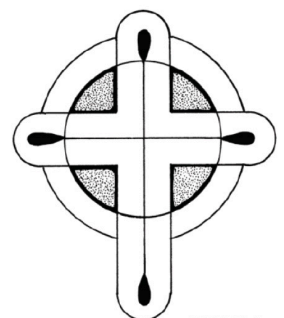

Monday Morning March 7th the students of Holy Trinity School will be going to confession for the Lenten Season. The Church needs to be cleared immediately following the 8:00am mass. We also have a funeral at 11:00am. Thank You for adjusting your schedules.

We will have adoration this Friday March 11th for Peace in the World. Please join us between 7:00pm and 8:00pm as we gather in the Church to pray for the people of Ukraine. The power of prayer can't be underestimated and it is needed now more than ever. I hope to see you there.

My annual retreat was cancelled in December. I am going this week. Please pray for me and know of my prayers for you.

Pray for Ukraine!

Fr. Ricardo

DID YOU KNOW?

Parents have a responsibility to report concerns they have about another person's behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants.
