St. Joseph is the last statue that we will be working on. Thank you for your support in renovating our beautiful statues. On the long term once we accumulate enough money, I would like to re-stain the parish pews. Called to Renew has been a huge blessing for our parish. Thank You!

Once school gets out, we will looking at redoing the two faculty bathrooms. They have never been redone and are in desperate need of updating. The last day of school is Friday June 10th.

Last Sunday radical marxist protesters showed up to the Cathedral of Our Lady of the Angeles. They attempted to disrupt the mass, but they were quickly escorted out. Let us all be vigilant. We can't be look warm on the issue of protecting human life. All life from conception to a natural death is a gift from God. Do not be deceived by Satan, follow Jesus. The devil has convinced many people, including many Catholics, that human life can be easily disposed of. Absolute truth does exist. We do not know more that God. We live in a culture now that is very emotional and no longer believe in absolute truth. We will all stand before God one day for final judgment, let us choose holiness!

DID YOU KNOW?

Parents have a responsibility to report concerns they have about another person's behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants.
