

**To My Holy Trinity Family:**

This Saturday May 28th at 5:00pm Msgr. Herres will be presiding at a mass of thanksgiving as he celebrates his 50th Anniversary of his ordination to the priesthood. All parishioners are invited to attend. There is a private reception after. All are invited to the mass however. Thank You Msgr. Herres for all that you do for us at Holy Trinity.

Memorial Weekend is next weekend. Our office will be closed on Sunday May 29th and Monday May 30th. We will reopen on Tuesday May 31st at 8:30am. If you are traveling, be safe. Please pray for those men and women that paid the ultimate cost in defending our country.

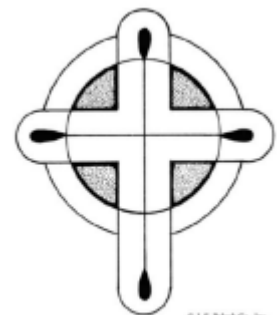

Our 8th graders will be graduating soon from Holy Trinity School. Please keep them and all graduates in your prayers as they prepare for their next phase of life. Transition is very exciting but overwhelming at the same time. This week they will be going to Disneyland. We are so proud of all of our graduates at Holy Trinity School and anyone graduating from our parish.

This Saturday May 28th the men who will be ordained transitional deacons for the Archdiocese of Los Angeles will be ordained at the Cathedral. These men, God willing, we will be ordained priests in 2023. Please pray for them as they move towards their ordination.

During the summer there will be times when a few weekday masses will be cancelled temporarily starting in July. Fr. Leo will be out of the country for most of the summer. Fr. Mike and I have travel plans as well. Thank You for understanding. This will only impact weekday masses during July and August. Weekend Masses will remain the same. Of course this will be announced in advance to allow ample time for planning. Please pray for more vocations to the priesthood. We are blessed in the Archdiocese of Los Angeles with many parishes to choose for weekday masses.

Happy Easter,

*Fr. Ricardo*

**DID YOU KNOW?**

Parents have a responsibility to report concerns they have about another person's behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants.
