

To My Holy Trinity Family:

We have reached the end of the Easter Season. Pentecost Sunday concludes the Easter Season. The mission has been given to the Church to go out and bring the good news of Jesus to all people. Pentecost Sunday reminds us that we are never alone. Jesus gave us the Holy Spirit to be with us always. In everything that we do, in every where that we are, we are never alone. All we have to do is pray to the Holy Spirit to lead us and to guide us. So let us all get to work in the name of Jesus Christ.

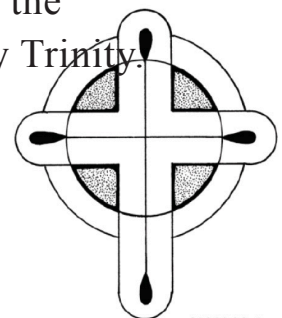

Part of Pentecost was getting over the fear and pain that the disciples went through watching Jesus die on the cross. We too have been through so much trauma this past year. Covid 19 has been traumatic for us all. Jesus is gently nudging us and telling us it is time to get out of our own tombs of worry and fear. It is a process and will not happen overnight. Little by little we all get there together. Life is a gift from God. Together we will get through the trauma and pain, and turn it into good.

Next Sunday is the last time that we will have the 9:00am mass outside. The time has come to move back inside. I look forward to welcoming you back inside the Church. Welcome Home!

Thank you for welcoming Fr. Pascal last week to Holy Trinity. For those of you that were able to support his ministry, thank you. Let us continue to pray for the needs of the Universal Church.

Next Sunday May 30th all are invited to the 10:30am mass. Fr Leo and I will be celebrating our 13th Anniversary to the priesthood. As a sign of our appreciation for you, we will be having a lunch reception in the school pavilion. Thank you for supporting us as your pastor and priest in residence. Please continue to pray for vocations to the priesthood. Next Sunday is also the Solemnity of the Most Holy Trinity. Happy Pentecost and Easter,

Fr. Ricardo

DID YOU KNOW?

Trained adults can take steps to prevent suspicion. The Protecting God’s Children program is in place to raise awareness about behaviors of adults that may indicate a threat to the safety of children and young people. Through this program, trained adults learn how to prevent abuse from happening, in part by taking steps to eliminate suspicious behaviors, such as being alone with a young person. Creating a culture of openness and transparency goes a long way towards alleviating concerns of inappropriate behavior by adults, and helps children feel safe in their environment.

Yes, God’s Providence was at work, Joseph was chosen because as the Litany reminds us, he is Joseph the
