

To My Holy Trinity Family:

On June 30th please join me in wishing Deacon Rolando Bautista a very Happy Birthday! Deacon Rolando is a blessing to us all at Holy Trinity. May God Bless you for many more years!

This Friday July 2nd is First Friday. We will have an extra time for Confession from after the 5:00pm mass until 6:30pm. A reminder that we have Confession every Saturday Morning from 8:45am until 9:30am.

We will be putting the school benches back in the pavilion this week. Another sign that life is returning to normal. Next week at the 9:00am mass, music will be returning. Little by little, God is so good. We have lost volunteers, new ones have joined us. To everything there is a season as they say.

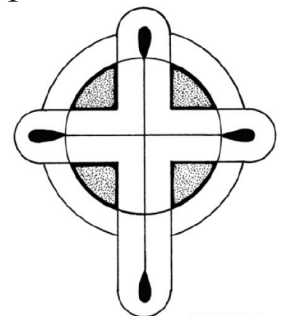

Holy Trinity School is offering a four week summer school program. Starting Monday July 5th. It is a fantastic program. Come and join our school community this summer. For more information please contact our parish school.

Registration for the new Religious Education and High School Confirmation Years will be on Sunday July 18th in the Pavilion from 10am until 1:00pm. Both Rheza and Nicko will be present. Classes start after Labor Day. This is the one and only registration date, so come by and get your student enrolled.

Adult RCIA classes will also begin in the fall. If you are over the age of 18 and out of high school and need to finish your Sacraments of Initiation, now is your time. Do you need Baptism, First Communion, and/or Confirmation? We would love to have you in our program. Registration will be in August. Adrian is our Director and it is a wonderful program.

Next Sunday July 4th and on Monday July 5th there is no 5:00pm mass. Our parish office will also be closed on these days. Please plan ahead. Have a wonderful week.

In Christ,
Fr. Ricardo

DID YOU KNOW?

Trained adults can take steps to prevent suspicion. The Protecting God's Children program is in place to raise awareness about behaviors of adults that may indicate a threat to the safety of children and young people. Through this program, trained adults learn how to prevent abuse from happening, in part by taking steps to eliminate suspicious behaviors, such as being alone with a young person. Creating a culture of openness and transparency goes a long way towards alleviating concerns of inappropriate behavior by adults, and helps children feel safe in their environment.

Mary

Grant that according to your example (St. Joseph) we may keep our eyes fixed on our mother Mary, your most sweet spouse, who silently used to do her weaving in a corner of your modest workshop, with the sweetest smile playing on her lips.
