

To My Holy Trinity Family:

As we enter the heat of the summer it is natural for one to become lazy in the spiritual life. As disciples of Christ however, we are called to never be complacent. How are you dedicating time every day to prayer with Jesus Christ?

We are now four months into the Corona Virus pandemic. Overnight our world changed instantly. It has been a huge adjustment for all of us. As a priest I miss seeing the parishioners on a regular basis. I have my worries, fears, and anxieties, like all of you. What helps sustain me is my prayer life and my family and friends. My priest friends and family members lift me up on a daily basis. We need to say in communication with one another. Pick up your phone and call a family member or friend. Send a text message or email. We are never alone. Jesus is with us always.

This past week San Gabriel Mission suffered severe fire damage. This beautiful historical landmark is part of our Catholic Foundation in Los Angeles. St. Serra brought the Gospel of the Catholic Church to California and many parts of Mexico. Although the mission building was damaged, the faith of the people is still standing tall. Please pray for the parish community of San Gabriel Mission.

A special thanks this Sunday to all of our wonderful parishioners in law enforcement. We have many in our parish and they are great people. May St. Michael protect you all! Thank you for what you do!

In Christ,

Fr. Ricardo

DID YOU KNOW?

Parents have a responsibility to report concerns they have about another person’s behaviors or actions that could put their children — or any children — at risk. These concerns are anything that makes the parent uneasy or uncomfortable, or anything that a child reports made them feel uneasy or uncomfortable. Some examples of seemingly little things that can be worth reporting include: A teacher covering her glass classroom door with artwork, eliminating the ability to see into the classroom from the hall; a youth ministry icebreaker activity, where teens have to pass a mint candy from person to person using only toothpicks in their mouth, despite the discomfort of some participants.
