

**To My Holy Trinity Family:**

The summer is flying by. This is the last week of summer school for Holy Trinity School. Please keep the school community in prayers as they prepare for the coming academic year.

We have been doing several maintenance projects over the summer. The school had a minor roofing issue and we were able to fix it. We also had a minor issue with the plumbing and were able to address that as well. Thank you for all of your support to make these projects possible.

In the Church building, we painted the walls behind the statues when they were taken out to be renovated. There was some minor damage and it was a quick fix. In the rectory, we are looking at painting the dining room for a quick touch up.

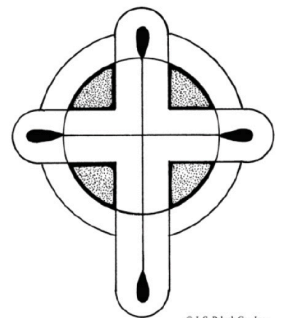

The news is scary once again. It can be very frustrating. It is normal to feel overwhelmed and frustrated. It is normal to question when will this pandemic end. Remember Jesus is already victorious. Our struggles will make us stronger if we allow God to shape and mold us. God never abandons us. Trust in the Lord always and may Jesus alone give you the peace that you need.

Attention parishioners, we will be bringing back Eucharistic Ministers for our Sunday masses. If you are comfortable and ready to return or become an EM, we will have a meeting on Tuesday 8/31@6:30pm in the Church. It does not matter if you have done this in the past or are brand new, if you are interested come by for the meeting. Deacon Ray and I will be leading the meeting.

Last Sunday it was wonderful to see the School Pavilion full of life once again for our annual registration date. A special thank you to all of our hard working catechists and volunteers. We are returning to complete in person classes this year. As long as things continue to look good, the classes will no longer be online. Have a wonderful week.

In Christ,

**Fr. Ricardo Viveros**

**DID YOU KNOW?**

Trained adults can take steps to prevent suspicion. The Protecting God's Children program is in place to raise awareness about behaviors of adults that may indicate a threat to the safety of children and young people. Through this program, trained adults learn how to prevent abuse from happening, in part by taking steps to eliminate suspicious behaviors, such as being alone with a young person. Creating a culture of openness and transparency goes a long way towards alleviating concerns of inappropriate behavior by adults, and helps children feel safe in their environment.

**ST. JOSEPH'S WEEKLY WORKSHOP**

Tools to grow spiritually in the Year of St. Joseph (Dec 8, 2020 – Dec 8, 2021)

**The Consecrated Knight**

Saint Joseph sweetly and continuously stimulates us to love, serve and imitate the Queen of his heart, The immaculate Mother of Jesus.

Blessed Gabriele Allegra

“There has never been a greater Marian saint than Joseph and there never will be.

Saint Joseph is the model for total consecration to Mary. Long before Calvary, when Jesus commanded all of his disciples to take Mary into their hearts and homes, St. Joseph had already taken Mary into his heart and into his home. She is his heart; she is his home. Everything he did was done for Jesus and Mary. He lived and died for Jesus and Mary.

Donald H. Colloway, Consecration to Saint Joseph

Wednesdays are traditionally associated with St. Joseph - join us in praying the Rosary on the first Wednesday of each month after the 5:00 pm Mass. Email [HTPrayerJMJ@Outlook.com](mailto:HTPrayerJMJ@Outlook.com) to learn more.
