

HOLY TRINITY LOS ANGELES

Dear Holy Trinity Family,

Our Gospel today reminds us to be humble. This virtue is something that I am sure many of us struggle with in our lives. We always want to be in charge and in control. But humility is about trusting in God and it is about recognizing that we are always dependent upon Him. Yes, he has given us the opportunity to make choices and to live out our lives according to our own will. However, when we are humble enough to allow our will to be in unison with God's will, that is when we will receive true peace, happiness and joy. That is when we live out our first vocation—the call to holiness and to be saints of God.

This week, we also celebrate National Vocation Awareness Week where we are invited to pray for vocations to the priesthood, consecrated life and diaconate. For our parents today, have you ever asked or prayed to God about what is His will for your child? What does God want your son or daughter to be? For our young people, have you ever prayed and asked God, "What do you want me to be?" This week is about just that—humbling ourselves to do God's will whatever our vocation may be. And part of that humility as parents is also to be open to the possibility your son may be called to be a priest and your daughter may be called to be a religious sister. Do we want to stand in the way of God's plan?

We kick off our Vocation Prayer Devotion where a family will be invited each Sunday to take home an icon of Mary, Mother of Priests and pray for vocations. They then return it the following Sunday. If interested in participating, please call the rectory or contact Sylvia at sylvia.holytrinity@gmail.com.

Keeping children safe in sports
Every adult has the responsibility to make sports a safe and enjoyable experience for children. Playing sports helps children work on sportsmanship, goal setting, personal responsibility, and emotional control. But sports also include some risks — the potential for physical injury, bullying, hazing, and even abuse. Because sports happen outside of “normal” school hours, there may be less safety checks than there are in school. Parents need to be vigilant in confirming that coaches and volunteers are vetted, and that their children are playing in safe environments. For more information, read the VIRTUS® article “Keeping Youth Safe in Sports” at lacatholics.org/did-you-know/.

Cómo mantener a los niños seguros cuando practican deportes

Todo adulto tiene la responsabilidad de hacer del deporte una experiencia segura y agradable para los niños. Practicar deportes ayuda a los niños a trabajar el espíritu deportivo, el establecimiento de metas, la responsabilidad personal y el control emocional. Pero los deportes también incluyen algunos riesgos, como la posibilidad de sufrir lesiones físicas, acoso, y hasta abuso. Debido a que los deportes se practican fuera del horario escolar “normal”, es posible que haya menos controles de seguridad que en la escuela en horarios regulares. Los padres de familia deben estar atentos para confirmar que los entrenadores y voluntarios sean examinados y que sus hijos jueguen en entornos seguros. Para obtener más información, lea el artículo de VIRTUS®, “Keeping Youth Safe in Sports” (Mantener a los jóvenes seguros en los deportes) en lacatholics.org/did-you-know/.
