

## HOW TO REGISTER YOUR CLUB FOR DHF 2024

Go to: <https://displaymyvehicle.msv.com/Calendar/Donington-Park/2024/May/Donington-Historic-Festival>

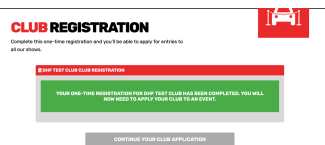

Scroll down the page and click 'APPLY FOR MY CLUB' where you see these three buttons.

You will be taken to this screen. Login with your existing personal MSV account or register for an account if you don't already have one, and then login.

You will then see this screen. Please complete your club details – the logo upload is optional – and then press 'submit'.

You will then see this screen. Press 'continue your club application' and select your club name from the next screen and add the approximate number of display vehicles you think you may have on the stand. We can always revise this as you get an idea of take-up from your club.

We will then review your application and, once it's approved, you will receive an email like the one shown here.

Hi Karen  
Thank you for applying for DHF Test Club to participate in the Historic Festival event at Donington Park.  
The club is **APPROVED** to attend on the following days:  
• Saturday: 20 places  
• Sunday: 20 places

Your club will have a unique four-digit code, which your members can use at <https://displaymyvehicle.msv.com/Calendar/Donington-Park/2024/May/Donington-Historic-Festival> to book with your club – full details will be provided once your club application is accepted

**Next Steps**  
Club members will require the 4 digit code below to apply to be part of your display. Please make sure you pass this code, or the direct link, to all of your members.  
**8571**  
**Direct club member application link:**  
<https://displaymyvehicle.msv.com/Calendar/Donington-Park/2024/May/Donington-Historic-Festival/apply?group=11e67147-8894-4143-a3c3-02a7d6c14f5>  
By clicking the button below you will be able to monitor all members that have applied to your club, along with the current status of their applications. Remember that they will not be sent admission passes until they have completed payment, so please keep an eye on the applications and remind them when appropriate!  
**View Club Member Applications**  
If you require more spaces, or you need to reduce them, please let us know asap by emailing [events@msv.com](mailto:events@msv.com)

Your club will also be given a unique link which you can share with members, which will take them direct to your club booking page for DHF 2024 (probably the quickest method!)

Once your club is approved, you will be able to login to your account and manage your club – you will, for example, be able to view all display vehicle bookings made for your club for DHF 2024. NB, if a vehicle shows as 'approved' it means that the club member has registered the car for the event but hasn't yet bought tickets, so is not yet definitely attending. If it shows as 'completed', then they have registered their car for the event and have bought tickets, so are definitely attending.
